

# SHORT PIN PUNCH SET - GRACE USA 7 PIECE STEEL SHORT ROLL PIN PUNCH SET

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

**GRACE USA SHORT PIN PUNCH SET** The Grace USA Short Pin Punch Set is a meticulously crafted collection of tools designed for precision work in gunsmithing and other detailed projects. Manufactured in the USA, these punches are ideal for tasks requiring accuracy and strength in confined spaces. **Description and Features:** **High-Quality Materials:** Each punch is made from high carbon molybdenum tool steel, ensuring durability and longevity. The punches are properly heat-treated and hardened along their entire length, with a tempered striking end to prevent chipping. **Precision Engineering:** The punches are centerless ground for complete accuracy, providing a precise fit for pins and minimizing the risk of slipping during use. **Hex Stock Design:** Unlike round punches, these are manufactured from hex stock, which helps stabilize the punch and prevents it from rolling away when set down. **Compact Length:** The short design allows for meticulous work in detailed projects where a longer punch might be cumbersome. **Specifications:**

Five Punch Set Includes the Following Sizes: 1/16" 5/64" 3/32" 1/8" 5/32"

Seven Punch Set Includes the Following Sizes: 1/6" 5/64" 3/32" 1/8" 5/32"

3/16" 7/32" **Material:** High carbon molybdenum tool steel **Packaging:** Comes

in a protective vinyl pouch for organized storage and portability **Customer**

**Insights:** Our customers report that the Grace USA Short Pin Punch Set is an

invaluable addition to their toolkit. The precision and durability of these

punches make them ideal for detailed work, such as firearm maintenance and

other intricate projects. Customers appreciate the hex stock design, which

offers better stability and prevents the tools from rolling off the workbench.

Incorporating the Grace USA Short Pin Punch Set into your collection ensures

you have reliable, high-quality tools designed for precision and durability,

essential for any gunsmith or hobbyist engaged in detailed work.

# Safety Instruction Guide for Grace USA Short Pin Punch Set

## Introduction

Thank you for choosing the Grace USA Short Pin Punch Set. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new toolset. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Always use the punches for their intended purpose.
- Ensure that the work area is clean and welllit to avoid accidents.
- Keep the punches away from children and unauthorized users.
- Inspect the punches before each use. Do not use damaged or worn tools.
- Store the punches in a safe, dry place when not in use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punches.
- Be aware of your surroundings and ensure that no one is in the way when striking the punches.
- Follow all manufacturer instructions and guidelines for safe use.

## Specific Safety Precautions for Use

- **Handling:**
  - Always hold the punch firmly with both hands when striking.
  - Avoid using excessive force; let the tool do the work.
- **Striking:**
  - Use a proper hammer designed for striking punches. Avoid using makeshift tools.
  - Ensure that the punch is aligned correctly with the pin to prevent slipping.
- **Storage:**
  - Keep the punches in the protective vinyl pouch when not in use to avoid damage.
  - Store in a location that is out of reach of children.
- **Maintenance:**
  - Regularly clean the punches to remove debris and prevent rust.
  - Do not attempt to modify or repair the punches yourself.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting your project.
- Ensure that the work surface is stable and secure.

### 2. Using the Punch:

- Select the appropriate punch size for the pin you are working with.

- Position the punch over the pin to be driven out, ensuring it is centered.
- Hold the punch steady with one hand and use a hammer to strike the striking end of the punch with controlled force.
- Repeat the process as needed until the pin is fully driven out.

### **3. PostUse:**

- Clean the punches after use to maintain their quality and performance.
- Inspect for any signs of wear or damage and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not throw tools in regular trash if they can be recycled or disposed of safely.
- Consider donating usable tools to community programs or workshops.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Grace USA Short Pin Punch Set, please refer to the product packaging for contact details or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience with your Grace USA Short Pin Punch Set. Thank you for your attention to these important guidelines!
