

MOE® GRIP FOR AR15/M4 - MAGPUL MOE GRIP AR15/M4

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Improves Comfort For Better Weapon Handling & Control

The MOE Grip (Magpul Original Equipment) is a drop-in upgrade for the standard AR15 / M4 pistol grip. The ergonomic, hand-filling design combines anti-slip texturing with storage core capability. With a similar shape to a 'medium' sized MIAD, the one-piece reinforced polymer construction provides simplicity and a reduced cost while still maintaining the durability needed to withstand operational environments. The MOE Grip accepts optional Storage Cores for gear stowage and includes a basic grip cap. All mounting hardware included. FEATURES: Positive anti-slip texture Beavertail backstrap for enhanced ergonomics Storage core capability Includes a basic grip cap, but accepts optional storage cores for customized gear stowage Hard polymer bottom Prevents snags and damage One-piece reinforced polymer construction Note: this grip will function properly with 7.62 nato ar10 / sr25 style of rifles but, depending on the make of the rifle, may or may not leave a gap between the backstrap's 'beaver tail' and the receiver. This gap is purely aesthetic and will not affect function. Made in the USA SPECS Platform: AR10, AR15, M4, M16, M110, SR25 Grip Angle: 25 degrees Height, receiver to bottom: 4.0 in. Thickness, max: 1.2 in. Weight, w/ hardware: 2.8 oz. NOTE: This grip will function properly with 7.62 NATO AR10 / SR25 style of rifles but, depending on the make of the rifle, may or may not leave a gap between the backstrap's 'beaver tail' and the receiver. This gap is purely aesthetic and will not affect function.

MOE® Grip for AR15/M4 Safety Instruction Guide

Introduction

Thank you for choosing the MOE Grip for your AR15/M4 firearm. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your grip. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure proper installation of the grip to avoid accidents.
- Regularly inspect the grip for wear or damage.
- Store the grip in a safe place, away from children and vulnerable individuals.
- If you notice any defects or issues, discontinue use immediately and report the product to the relevant authorities.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- The MOE Grip is designed for adult users and should not be used by children.
- Always treat your firearm with respect and follow the basic rules of firearm safety.
- Ensure the firearm is unloaded before installing or handling the grip.
- Avoid using the grip in environments that may expose it to extreme temperatures or chemicals.
- Do not modify the grip in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a screwdriver.

2. Installation Steps

- Remove the existing grip from your AR15/M4 by unscrewing the mounting hardware.
- Align the MOE Grip with the receiver of the firearm.
- Insert the mounting hardware through the grip and into the receiver.
- Tighten the screws securely, ensuring the grip is firmly attached.

3. Usage

- Hold the firearm with a firm grip, utilizing the antislip texture of the MOE Grip.
- Maintain proper firearm handling practices at all times.
- If you experience any discomfort or difficulty while using the grip, reassess your grip technique or consult a professional.

Disposal Instructions

- Dispose of the MOE Grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it contains any hazardous materials.
- If the grip is damaged, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding the MOE Grip or safety concerns, please contact the manufacturer or visit their website for further assistance.

Thank you for prioritizing safety while using the MOE Grip. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
