

NX8 2.5-20X50MM F1 RIFLE SCOPES - NX8 2.5-20X50MM FFP ILLUMINATED MIL-XT RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

NX8 2.520X50MM F1 Rifle Scope Safety Instruction Guide

Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully before use to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose as a precision aiming device for firearms.
- Always handle firearms and riflescopes with care. Treat every firearm as if it is loaded.
- Keep the riflescope and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye protection when using firearms equipped with a riflescope.
- Regularly inspect the riflescope for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and riflescopes.

Specific Safety Precautions for Use

- Before using the riflescope, familiarize yourself with its features and functions.
- Do not attempt to modify or disassemble the riflescope. This may void the warranty and create safety hazards.
- Avoid exposing the riflescope to extreme temperatures or moisture, which can affect its performance.
- Use the ZeroStop feature correctly to ensure accurate elevation adjustments.
- When adjusting the power settings, ensure that your hands are dry and clean to prevent slipping.
- Be aware of your surroundings and ensure a safe shooting environment before engaging targets.

Instructions for Installation and Usage

1. Installation:

- Mount the riflescope securely on your firearm using appropriate rings and bases.
- Ensure that the riflescope is level and properly aligned with the barrel.
- Tighten all mounting screws according to the manufacturer's specifications to prevent movement during use.

2. Usage:

- Set the riflescope to the desired magnification before aiming.
- Adjust the parallax setting based on your shooting distance to ensure a clear sight picture.
- Use the illuminated reticle feature in lowlight conditions for improved visibility.
- Always check the ZeroStop elevation adjustment after making any significant elevation changes.
- Practice safe shooting habits, including knowing your target and what lies beyond it.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Remove any batteries and dispose of them in designated battery recycling bins.
- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any inquiries regarding the NX8 2.520X50MM F1 Rifle Scope or safety concerns, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your NX8 2.520X50MM F1 Rifle Scope. Thank you for your attention to safety.
