

UBERTI 1873 REAR SIGHT - MARBLE ARMS UBERTI 1873 TANG SIGHT REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Adds a touch of authenticity to pump and lever action rifles, whether they're used for hunting or Cowboy Action Shooting. Provides better sight definition and faster target acquisition in the field or on the range. Locates the aperture closer to the eye for a clear sight picture; longer sight radius increases accuracy. All steel construction with micrometer adjustments for windage and elevation. Folds to the rear for storage. Mounting screw set must be purchased separately. Fitting chart for Standard Peep Sights Find the correct mounting screw set for your model here.

UBERTI 1873 Rear Sight Safety Instructions

Introduction

Thank you for choosing the UBERTI 1873 Rear Sight. This product is designed to enhance the performance of your pump and lever action rifles while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper usage and maintenance.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents.
- Use this product only for its intended purpose with compatible firearms.
- Always treat firearms as if they are loaded, even when they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and accessories securely to prevent unauthorized access, especially by children.
- Regularly inspect your firearm and rear sight for any signs of wear or damage before use.
- Always wear appropriate eye protection when using firearms.

Specific Safety Precautions for Use

- The UBERTI 1873 Rear Sight is designed for use with specific models. Ensure compatibility before installation.
- Do not attempt to modify or alter the rear sight. Doing so may compromise safety and performance.
- When adjusting the sight, ensure that the firearm is unloaded.
- Be aware that older firearms may require drilling and tapping for proper installation. Consult a qualified gunsmith if unsure.
- Use only the specified mounting screw set for your model. These must be purchased separately.
- Ensure that the sight is securely mounted before using the firearm.
- If you experience any issues with the sight, discontinue use and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the correct mounting screw set (sold separately).

2. Installation:

- Locate the mounting area on your firearm where the rear sight will be installed.
- If required, drill and tap the mounting holes according to your firearm's specifications. This step may require a qualified gunsmith.
- Position the rear sight on the mounting area.
- Insert the mounting screws and tighten securely, ensuring the sight is stable.

3. Adjustment:

- Adjust the sight for windage and elevation using the micrometer adjustments provided.
- Test the adjustments at a safe shooting range to ensure accuracy.

4. Usage:

- Always ensure the sight is clean and free of obstructions before use.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the rear sight becomes damaged beyond repair, dispose of it in a manner that prevents unauthorized use.
- Contact local waste management authorities for guidance on disposing of metal components.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging for the appropriate contact information. Always ensure you are reaching out to a qualified professional for any technical support or safety concerns.

By following these safety instructions, you can ensure a safe and enjoyable experience with your UBERTI 1873 Rear Sight. Thank you for your attention to these important safety guidelines.
