Introduction

Thank you for choosing the WINCHESTER Tang Sight by MARBLE ARMS. This product is designed to enhance your shooting experience by providing improved sight definition and target acquisition. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the tang sight.
- Use the tang sight only with compatible WINCHESTER models as specified in the product description.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the tang sight for any signs of wear or damage before each use.
- Do not modify the tang sight in any way that may compromise its safety or functionality.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is pointed in a safe direction during installation.
- Use appropriate tools and follow the instructions carefully to avoid injury or damage.

• Usage Precautions:

- Always wear appropriate eye protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Maintain a firm grip on the firearm when using the tang sight to avoid accidents.

• Age Restrictions:

- This product is intended for use by individuals who are legally permitted to operate firearms. Ensure that users are of legal age and have the necessary training.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Locate the appropriate mounting points on your WINCHESTER model.
- Align the tang sight with the mounting holes.
- Use the correct mounting screw set (sold separately) to secure the sight in place.
- Adjust the sight for windage and elevation using the micrometer adjustments provided.

2. Usage:

- Once installed, take a moment to familiarize yourself with the sight picture.
- Practice using the tang sight in a controlled environment before taking it into the field.
- Adjust the aperture size as needed for different shooting conditions.

Disposal Instructions

- Dispose of the tang sight responsibly in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center or hazardous waste facility.
- Ensure that all components are disposed of properly to minimize environmental impact.
