Safety Instructions for SINGLE STARTING PUNCHES MAYHEW STEEL 1/16" STARTING PUNCH

Introduction

Thank you for choosing the SINGLE STARTING PUNCHES MAYHEW STEEL 1/16" STARTING PUNCH. This tool is designed to assist in breaking loose stuck or tight pins, ensuring the protection of both the pin punch and the gun. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the starting punch in accordance with the manufacturer's instructions.
- Inspect the punch for any signs of damage before each use. Do not use if damaged.
- Keep the working area clean and welllit.
- Ensure that you are using the correct size and type of punch for your application.
- Store the punch in a safe place away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Ensure that the workpiece is securely clamped or held in place before using the punch.
- Use the punch only for its intended purpose; do not attempt to use it for other applications.
- Avoid excessive force when using the punch to prevent injury or damage.
- Keep hands and body away from the striking area to avoid injury.
- If the punch becomes stuck, do not force it; instead, consult the instructions for safe removal.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and PPE before starting.
- Ensure the work area is clean and free of obstructions.

2. Using the Starting Punch:

- Position the punch over the pin that needs to be loosened.
- Ensure that the punch is perpendicular to the surface of the workpiece.
- Using a hammer or mallet, strike the end of the punch gently to break the pin loose.
- If the pin does not move, stop and reassess the situation to avoid damaging the punch or the workpiece.

3. PostUse:

- Clean the punch after each use to remove any debris or residue.
- Inspect the punch for wear and tear, and store it in a dry, safe location.

Disposal Instructions

- Dispose of the punch in accordance with local regulations.
- If the punch is damaged beyond use, consider recycling it if possible, or dispose of it as metal waste.

Contact Information for Further Support

For any inquiries regarding the safety or use of this product, please refer to the manufacturer's contact information provided at the point of purchase or on their official website.

By following these safety instructions, you can ensure safe and effective use of the SINGLE STARTING PUNCHES MAYHEW STEEL 1/16" STARTING PUNCH. Thank you for your attention to safety!
