

SHOTGUN FIBER OPTIC SPARK II SIGHT - HIVIZ SPARK II SIGHT

[Shotgun Parts](#) > [Sights](#) > [Front Sights](#)

Improves Target Visualization

Highly visible, fiber optic front sight features a unique, interchangeable mounting post system for easy installation on most major brands of shotguns with plain or ribbed barrels. Pre-tapped, steel sight base accepts five, included mounting posts to accommodate shotguns drilled and tapped for 6-48, 5-40 or 3-56, plus the popular 3mm x .5 or 3mm x .6 metric sizes. Bright, red, fiber optic LitePipe provides superior light transmission from dawn 'til dusk, perfect for low light hunting conditions, as well as competition and self defense guns where fast sight acquisition is paramount. Requires drilling and tapping on shotguns with factory, press-fit bead sights.

SHOTGUN FIBER OPTIC SPARK II SIGHT Safety Instruction Guide

Introduction

Thank you for purchasing the SHOTGUN FIBER OPTIC SPARK II SIGHT. This product is designed to enhance your shooting experience by providing a highly visible sight for your shotgun. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This sight is designed for safe use with shotguns. Ensure that you are familiar with the operation of your shotgun and this sight before use.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Follow the instructions provided for returning the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements to guarantee the authenticity and safety of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the relevant EU contact points available for product safety.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the sight is installed by a qualified gunsmith or individual with experience in shotgun modifications to avoid improper installation.
- **Drilling and Tapping:** This sight requires drilling and tapping for installation on shotguns with factory, pressfit bead sights. Ensure that this is performed correctly to prevent damage to your firearm.
- **Shooting Environment:** Always use the sight in a safe shooting environment. Be aware of your surroundings and ensure that you have a clear and safe line of sight.
- **Regular Inspection:** Regularly check the sight and mounting posts for any signs of wear or damage. Replace any damaged components immediately.
- **Usage:** Use the sight only for its intended purpose. Do not modify the sight or use it in ways not recommended by the manufacturer.

Instructions for Installation and Usage

1. **Gather Tools:** You will need a drill, tap set (648, 540, or 356), and appropriate mounting tools.
2. **Prepare the Shotgun:**
 - Ensure the shotgun is unloaded and pointed in a safe direction.
 - Remove any existing bead sights if necessary.
3. **Mark the Installation Point:** Determine the optimal location for the sight on the shotgun barrel and mark it.
4. **Drill and Tap:** Carefully drill and tap the marked area according to the specifications required for your shotgun model.
5. **Install the Sight:**
 - Attach the steel sight base to the drilled and tapped area.
 - Select the appropriate mounting post from the five included options and secure it to the sight base.
6. **Check Alignment:** Ensure that the sight is aligned properly for optimal accuracy.
7. **Final Inspection:** Verify that all components are securely fastened before using the shotgun.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of it in general household waste.
- If the sight or any components are damaged, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For assistance, please refer to the product packaging or the manufacturer's website for contact information. Ensure you have the model number and purchase details available for any inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SHOTGUN FIBER OPTIC SPARK II SIGHT. Always prioritize safety and responsible firearm use.
