TRIOUS TRAPS TRIUS 1STEP TRAP Safety Instruction Guide

Introduction

Thank you for choosing the TRIUS TRAPS TRIUS 1STEP TRAP. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your trap. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the TRIUS 1STEP TRAP by following these guidelines:
 - Always operate the trap in a designated shooting area away from people and property.
 - Use the trap only for its intended purpose: throwing clay targets.
 - Keep the area clear of unauthorized personnel, especially children.
 - Regularly inspect the trap for any signs of wear or damage before use.
 - Follow all local laws and regulations regarding shooting and target practice.

Specific Safety Precautions for Use

- When using the TRIUS 1STEP TRAP:
 - Always stand behind the trap when operating it.
 - Do not place hands or any body parts near the throwing arm during operation.
 - Ensure that the trap is stable and securely positioned before use.
 - Use only approved clay targets as specified by the manufacturer.
 - Avoid using the trap in adverse weather conditions, such as strong winds or heavy rain.
 - Do not attempt to modify or alter the trap in any way.

Instructions for Installation and Usage

- To install and use the TRIUS 1STEP TRAP:
 - 1. Set Up the Trap:**
 - Choose a flat and stable surface for installation.
 - Unpack the trap and ensure all parts are included.
 - Assemble the trap according to the instructions provided in the product manual.
 - 2. Adjust the Trap:**
 - Use the large adjustment knobs to set the desired tension and vertical angle.
 - Ensure that the adjustments are secure before use.
 - 3. Load the Trap:**
 - Place clay targets on the throwing arm without applying tension.
 - Make sure the targets are positioned correctly according to the manufacturer's guidelines.
 - 4. Operate the Trap:**
 - Stand behind the trap and step on the pedal to apply tension to the arm.
 - Release the pedal to throw the clay targets in one smooth motion.
 - 5. PostUse Care:**
 - After use, remove any remaining clay targets and store the trap in a safe place.
 - Regularly clean the trap to maintain its functionality and longevity.

Disposal Instructions

- When disposing of the TRIUS 1STEP TRAP:
 - Follow local regulations for disposal of metal and other materials.
 - If the trap is damaged beyond repair, consider recycling the metal components.
 - Do not dispose of the trap in regular household waste.

Contact Information for Further Support

- For any safety inquiries or support regarding the TRIUS 1STEP TRAP, please refer to the product packaging or visit the manufacturer's website for more information.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your TRIUS 1STEP TRAP. Always prioritize safety and adhere to all local regulations while using the trap. Thank you for your attention to these important safety measures. Enjoy your shooting experience!
