Safety Instruction Guide for FLIP TOP RIFLE AMMO BOXES

Introduction

Thank you for choosing the FLIP TOP RIFLE AMMO BOXES by MTM CASEGARD. This product is designed to provide safe and reliable storage for your ammunition. It is essential to follow the safety guidelines outlined in this manual to ensure proper use and to minimize any potential risks.

This guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with clear and concise information regarding the safe handling, usage, and disposal of the product.

General Safety Guidelines

- Ensure that the ammo box is used exclusively for its intended purpose of storing ammunition.
- Keep the ammo box out of reach of children and vulnerable individuals.
- Regularly inspect the ammo box for signs of wear or damage. Do not use if damaged.
- Store the ammo box in a cool, dry place to prevent moisture damage.
- Always follow local laws and regulations regarding the storage of ammunition.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended capacity of 50 rounds per box to prevent damage.
- **Proper Handling:** Handle the ammo box with care, ensuring that it is closed securely when not in use.
- **Moisture Protection:** Ensure that the ammo box is kept away from water and humidity to protect the ammunition inside.
- **Heat Exposure:** Do not expose the ammo box to extreme temperatures or direct sunlight for prolonged periods.
- **Labeling:** Use the load label provided to clearly mark the contents of the box for easy identification.

Instructions for Installation and Usage

1. Opening the Ammo Box:

- Locate the snaplok latch on the front of the ammo box.
- Press down on the latch and lift the lid to open.

2. Loading the Ammo Box:

- Place the ammunition inside the box, ensuring that it does not exceed the 50round capacity.
- Arrange the ammunition neatly to prevent movement during transport.

3. Closing the Ammo Box:

- Once loaded, close the lid firmly until you hear a click from the snaplok latch.
- Ensure that the lid is securely fastened before moving the box.

4. Storing the Ammo Box:

- Store the ammo box in a secure location that is cool and dry.
- Avoid stacking heavy items on top of the ammo box to prevent damage.

5. Transporting the Ammo Box:

- When transporting, ensure that the ammo box is closed and secured to prevent accidental opening.

Disposal Instructions

- Dispose of the ammo box in accordance with local waste disposal regulations.
- If the box is damaged beyond use, consider recycling materials where possible.
- Do not burn the ammo box, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate local authorities or the EU's Safety Gate platform for guidance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and handling of this product.
