CAMLOCK® Case Trimmer Pilots Safety Instruction Guide

Introduction

Thank you for choosing the CAMLOCK® Case Trimmer Pilots. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your product. Please read this guide carefully before use to understand the safety precautions, installation, and disposal instructions.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's specifications.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the case trimmer.
- Keep the work area clean and organized to prevent accidents.
- Store the product in a safe place, out of reach of children and pets.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the specified CAMLOCK® Case Trimmer Pilots with the Hornady Cam Lock Trimmer.
- Ensure the trimmer is securely mounted before operation to prevent movement or accidents.
- Avoid wearing loose clothing or jewelry that may get caught in the trimmer.
- Do not attempt to modify or repair the product yourself. Contact a professional for repairs.
- Always turn off and unplug the trimmer when changing pilots or performing maintenance.
- Keep hands and other body parts away from moving parts during operation.
- Follow all local regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

1. Installation of the CAMLOCK® Case Trimmer Pilot:

- Ensure the Hornady Cam Lock Trimmer is turned off and unplugged.
- Select the appropriate pilot for your caliber (.30 Caliber / 0.308").
- Insert the pilot into the trimmer according to the manufacturer's instructions.
- Secure the pilot in place to ensure it does not move during operation.

2. Using the CAMLOCK® Case Trimmer:

- Prepare your cases according to standard reloading practices.
- Turn on the Hornady Cam Lock Trimmer and allow it to reach full speed.
- Carefully feed the case into the pilot, ensuring it is properly aligned.
- Monitor the trimming process closely to avoid overtrimming or damaging the case.
- Once the trimming is complete, turn off the trimmer and remove the case.

3. PostUse Maintenance:

- Clean the trimmer and pilots after each use to remove any debris or residue.
- Store the pilots in a safe location, preferably in their original packaging.
- Regularly check for wear and replace pilots as necessary.

Disposal Instructions

- Dispose of any damaged or worn pilots in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
- If applicable, remove any batteries or electrical components before disposal.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these guidelines, you can ensure safe and effective use of your CAMLOCK® Case Trimmer Pilots. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
