CAMLOCK® Case Trimmer Pilots Safety Instruction Guide

Introduction

Thank you for choosing the CAMLOCK® Case Trimmer Pilots for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the product to avoid any potential hazards.

General Safety Guidelines

- Always use the CAMLOCK® Case Trimmer Pilots in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep all tools and materials out of the reach of children and pets.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trimmer.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

• Hazard Identification:

- Sharp edges: The trimmer pilots have sharp edges that can cause cuts. Handle with care.
- Moving parts: Keep hands and loose clothing away from moving parts during operation.
- Dust and debris: Trimming cases can produce metal shavings and dust. Use appropriate dust collection methods or work in a wellventilated area.

• Avoiding Hazards:

- Always ensure the trimmer is securely mounted before use.
- Do not attempt to modify or alter the trimmer pilots in any way.
- Ensure that the case is properly positioned before starting the trimming process.
- Never leave the trimmer unattended while in operation.

Instructions for Installation and Usage

1. Installation:

- Ensure the Hornady Cam Lock Trimmer is powered off and unplugged before installation.
- Select the appropriate CAMLOCK Case Trimmer Pilot for your caliber (.338 in this case).
- Insert the pilot into the trimmer according to the manufacturer's instructions.
- Secure the pilot using the locking mechanism provided.

2. Usage:

- Prepare the cases by cleaning and inspecting them for defects.
- Insert the case into the trimmer, ensuring it is aligned correctly.
- Power on the trimmer and allow it to reach operational speed.
- Carefully guide the case through the trimming process, keeping hands and clothing clear of moving parts.
- Once trimming is complete, power off the trimmer and remove the case.

3. PostUse Maintenance:

- Clean the trimmer and pilots after each use to remove any debris.
- Store the trimmer pilots in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or wornout trimmer pilots in accordance with local regulations.
- Do not dispose of the product in general waste. Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CAMLOCK® Case Trimmer Pilots, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your CAMLOCK® Case Trimmer Pilots. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to responsible reloading practices.
