# CASE TRIMMER PILOT RCBS CASE TRIMMER PILOT 22 CAL Safety Instruction Guide

## Introduction

Thank you for choosing the RCBS Case Trimmer Pilot 22 Cal. This product is designed to assist in the trimming of cases for precision reloading. To ensure safe and effective use, please read and follow the safety instructions and guidelines outlined in this document.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle the tool with care to prevent injury.
- Keep the work area clean and welllit to avoid accidents.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the trimmer.
- Do not use the product if it appears damaged or malfunctioning.
- Store the product in a safe place out of reach of children and pets.
- Regularly inspect the product for wear and tear, and replace any worn parts as necessary.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trimmer.
- Ensure that the trimmer is securely mounted before use to prevent movement during operation.
- Do not exceed the recommended trimming capacity of the tool.
- Avoid placing fingers near the cutting area while operating the trimmer.
- Never attempt to modify or alter the product in any way.
- If you experience any discomfort or unusual sensations while using the tool, stop immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Secure the Trimmer:** Mount the rotary case trimmer securely on a stable work surface.
2. **Attach the Pilot:** Insert the Case Trimmer Pilot 22 Cal into the trimmer's collet as per the manufacturer's instructions.
3. **Check Alignment:** Ensure that the pilot is aligned properly with the case mouth before proceeding.

### Usage

1. **Prepare the Case:** Clean and inspect the case to ensure it is free from dirt and debris.
2. **Insert the Case:** Place the case into the trimmer, ensuring that it is seated properly against the pilot.
3. **Trim the Case:** Turn on the trimmer and gently feed the case into the cutting area. Allow the trimmer to do the work—do not force the case.
4. **Inspect the Trimmed Case:** After trimming, remove the case and inspect the length to ensure it meets your specifications.
5. **Repeat as Necessary:** Continue the process for additional cases as needed.

## Disposal Instructions

- Dispose of any worn or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal.

methods for tools and equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the RCBS Case Trimmer Pilot 22 Cal, please refer to the manufacturer's website or contact their customer service department for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the RCBS Case Trimmer Pilot 22 Cal. Always prioritize safety and do not hesitate to seek help if needed. Thank you for your attention to these important safety measures.
