# Safety Instruction Guide for Redding #8 Shellholder

## Introduction

Thank you for choosing the Redding #8 Shellholder. This product is designed for use with various cartridges, including 3040 Krag, 303 British, and 35 Winchester, and is engineered to enhance your reloading experience. This guide provides essential safety instructions to ensure the safe and effective use of the shellholder.

## General Safety Guidelines

- Always read and understand the instructions before using the shellholder.
- Ensure that the shellholder is compatible with your specific reloading press and cartridges.
- Regularly inspect the shellholder for signs of wear or damage. Do not use if damaged.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the shellholder only for its intended purpose: reloading ammunition.
- Ensure your work area is clean and free from distractions while using the shellholder.
- Wear appropriate safety gear, including safety glasses and gloves, when handling ammunition components.
- Avoid overtightening the shellholder when installing it onto the press, as this may cause damage.
- Do not attempt to modify or alter the shellholder in any way.
- Handle all ammunition components with care to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your reloading press is turned off and unplugged before installation.
- Select the appropriate shellholder for your cartridge.
- Align the shellholder with the press and insert it into the designated slot.
- Secure the shellholder by tightening the retaining screw, ensuring it is snug but not overly tight.

### 2. Usage

- Load the cartridge case into the shellholder, ensuring it fits snugly.
- Follow your reloading press's instructions for operating the press safely.
- After reloading, remove the cartridge case from the shellholder carefully.
- Regularly clean the shellholder to remove any debris or residue.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling it if possible.
- Do not dispose of the shellholder in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding the Redding #8 Shellholder, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website for support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding #8 Shellholder. Thank you for prioritizing safety in your reloading practices.
