

# HANDLE CARRY RIFLE AMMO BOXES - HANDLE CARRY RIFLE AMMO BOX 22-250 REM-308 WIN 50 RD GREEN

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

# Safety Instruction Guide for HANDLE CARRY RIFLE AMMO BOXES

## Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES. This guide provides essential safety instructions to ensure the safe use of your ammo boxes, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the ammo boxes are used in accordance with the manufacturer's instructions.
- Store the ammo boxes in a cool, dry place away from direct sunlight and moisture to prevent damage.
- Keep ammo boxes out of reach of children and vulnerable individuals to avoid accidental handling.
- Regularly inspect the ammo boxes for any signs of wear or damage. Replace them if necessary.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the correct caliber ammunition is stored in the designated boxes to prevent misfires or accidents.
- When handling the boxes, always carry them by the handle to avoid dropping or mishandling.
- Avoid overloading the boxes beyond their capacity to ensure structural integrity.
- Do not use the ammo boxes for any purpose other than storing ammunition.
- Always check the condition of the ammunition before placing it in the boxes to ensure it is safe for use.

## Instructions for Installation and Usage

- **Unpacking:** Carefully remove the ammo boxes from their packaging. Inspect for any damage or defects.
- **Loading Ammunition:**
  - Open the lid of the ammo box.
  - Place the ammunition in the box in the down position, ensuring that the bullets are supported by the special fingers to prevent tip damage.
  - For the 50 round box, ensure there is extra space between rounds for easy removal.
- **Carrying the Box:**
  - Use the fold-down carrying handle to transport the ammo box safely.
  - Ensure that the box is securely closed before carrying.
- **Storing:** Once loaded, store the ammo boxes in a secure location, away from children and unauthorized users.

## Disposal Instructions

- Dispose of the ammo boxes responsibly, in accordance with local regulations.
- If the boxes are damaged or no longer needed, consider recycling the polypropylene material where facilities exist.
- Do not dispose of the boxes in regular household waste if they contain remnants of ammunition.

## Contact Information for Further Support

For any questions or concerns regarding the product, please contact the manufacturer or your retailer for assistance.

Please keep this safety instruction guide for future reference. Your safety is our priority. Thank you for choosing
