

HANDLE CARRY RIFLE AMMO BOXES - MTM CASE-GARD HANDLE CARRY RIFLE AMMO BOX 22-250 REM-308 WIN 50 RD BLUE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

Safety Instruction Guide for HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD

Introduction

Thank you for choosing the MTM Handle Carry Rifle Ammo Boxes. This product is designed to safely store and transport rifle ammunition. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep the ammo box out of reach of children and unauthorized individuals.
- Inspect the ammo box regularly for any signs of damage or wear.
- Use the ammo box only for its intended purpose—storing and transporting rifle ammunition.
- If you notice any defects or issues, discontinue use immediately and report to the manufacturer.

Specific Safety Precautions for Use

- Ensure the ammo box is securely closed before transporting it to prevent accidental openings.
- Avoid overloading the ammo box beyond its capacity of 50 rounds.
- Do not expose the ammo box to extreme temperatures or harsh environmental conditions.
- Always handle ammunition with care and follow all applicable safety practices for handling firearms.
- If the ammo box is dropped or subjected to a significant impact, inspect it for any damage before further use.

Instructions for Installation and Usage

1. Opening the Ammo Box:

- Locate the latch mechanism on the front of the box.
- Press the latch to release and open the lid carefully.

2. Loading the Ammo Box:

- Ensure the box is clean and dry before loading.
- Place ammunition in the designated slots, ensuring they are properly seated.
- Close the lid firmly and secure the latch.

3. Transporting the Ammo Box:

- Carry the ammo box by the handle, ensuring it is secure.
- Do not stack heavy objects on top of the ammo box during transportation.

4. Storing the Ammo Box:

- Store the ammo box in a designated area that is cool, dry, and secure.
- Keep the ammo box away from flammable materials and sources of heat.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations regarding plastic waste.
- If the ammo box is damaged beyond repair, ensure it is disposed of safely to prevent any risk of injury.

- Do not incinerate the ammo box as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MTM Handle Carry Rifle Ammo Boxes, please contact your local distributor or the manufacturer directly. Ensure you have the product details ready for reference.

By following these safety instructions, you can help ensure a safe and responsible experience with your MTM Handle Carry Rifle Ammo Boxes. Thank you for your attention to these important safety guidelines.
