

HANDLE CARRY RIFLE AMMO BOXES - MTM CASE-GARD HANDLE CARRY RIFLE AMMO BOX 6MM - 30-06 SPRINGFLD 50 RD BLUE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

HANDLE CARRY RIFLE AMMO BOXES Safety Instruction Guide

Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES by MTM CASEGARD. This product is designed to provide secure storage and transport for your ammunition. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. Your safety is our priority.

General Safety Guidelines

- Always keep the ammo box closed when not in use to prevent accidental opening and potential hazards.
- Store the ammo box in a cool, dry place away from direct sunlight and moisture to maintain its integrity.
- Do not overload the ammo box beyond its specified capacity to prevent damage and ensure safe transportation.
- Regularly inspect the ammo box for any signs of wear or damage. If any damage is found, discontinue use and replace the box.
- Always keep the ammo box out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Ensure that the ammunition stored in the box is compatible with the box specifications to avoid malfunctions.
- Use the box only for its intended purpose. Do not use it for storing other items that could compromise safety.
- When transporting the ammo box, ensure that it is securely closed and held in an upright position to prevent spillage.
- Avoid exposing the ammo box to extreme temperatures or harsh chemicals that could affect its material properties.
- If you notice any unusual odors, discoloration, or deformation of the box, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the box and remove the inner trays.
- Place ammunition in the designated slots with the bullet tips facing down to prevent damage.
- Ensure that the ammunition fits securely without excessive force.
- Replace the inner trays and close the box securely.

2. Carrying the Ammo Box:

- Use the folding handle for easy transport. Ensure the handle is fully extended before lifting.
- When carrying, hold the box securely to avoid dropping it.
- If carrying belted magnum rounds, ensure they are positioned rim up or down as required.

3. Cleaning and Maintenance:

- Clean the exterior of the ammo box with a damp cloth. Do not use abrasive cleaners or solvents.
- Ensure that the latch and hinges are functioning properly. Lubricate if necessary with a suitable product.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations regarding plastic waste.
- If the box is damaged beyond repair, ensure it is disposed of safely to prevent injury to others.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions, concerns, or to report unsafe conditions, please refer to the appropriate regulatory body or consumer safety organization in your region.

Remember, your safety and the safety of others is paramount. Always prioritize safe handling and storage of ammunition. Thank you for adhering to these guidelines.
