

HANDLE CARRY RIFLE AMMO BOXES - MTM CASE-GARD HANDLE CARRY RIFLE AMMO BOX 22 SAV-10.75X68 MAUSER 50RD BLUE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

Safety Instruction Guide for HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD

Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD. This guide provides essential safety instructions to ensure the proper use and handling of the product. Please read this guide carefully to understand how to use the ammo boxes safely and effectively.

General Safety Guidelines

- Ensure that the ammo box is used only for its intended purpose—storing and transporting ammunition.
- Keep the ammo box out of reach of children and unauthorized users.
- Regularly inspect the ammo box for any signs of damage or wear. Do not use if damaged.
- Store the ammo box in a cool, dry place away from direct sunlight and extreme temperatures.
- Be aware of local laws and regulations regarding the storage and transportation of ammunition.

Specific Safety Precautions for Use

- Always ensure the ammo box is closed securely before transporting.
- Do not overfill the ammo box beyond its specified capacity.
- When handling ammunition, wear appropriate safety gear, such as gloves and eye protection.
- Avoid exposing the ammo box to moisture or water to prevent corrosion of the ammunition.
- If you notice any unusual odors or signs of chemical leaks, stop using the ammo box immediately and contact local authorities.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the ammo box by releasing the SnapLok latch.
- Arrange the ammunition in the adjustable inner trays, ensuring that the bullets are positioned down to prevent tip damage.
- Close the lid securely and engage the SnapLok latch to prevent accidental opening.

2. Transporting the Ammo Box:

- Use the folding handle to carry the ammo box. Ensure the handle is locked in place for stability.
- Carry the ammo box in an upright position to avoid spilling or damaging the contents.

3. Storing the Ammo Box:

- Store the ammo box in a designated area away from flammable materials.
- Ensure that the ammo box is placed on a stable surface to prevent tipping.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations.
- If the ammo box is damaged beyond use, consider recycling the materials where possible.
- Do not dispose of ammunition in regular trash. Follow local laws for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD, please consult the product packaging for contact details or refer to the manufacturer's website for more information.

By following these safety guidelines, you help ensure not only your safety but also the safety of others around you. Thank you for your attention to these important instructions.
