

BULLET PULLER COLLET - RCBS 35 CALIBER BULLET PULLER COLLET

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

This collet type bullet puller from RCBS will pull jacketed bullets from .17 caliber through 50 caliber with the appropriate collet (order collets separately from chart) installed in the puller body. Puller can be used in any 7/8-14 single stage reloading press. RCBS states that the collets do not damage jacketed bullets. Not for rimfire ammunition.

BULLET PULLER COLLET RCBS 35 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the RCBS 35 Caliber Bullet Puller Collet. This tool is designed to safely remove jacketed bullets from various calibers. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the bullet puller is used in accordance with the manufacturer's instructions.
- Always wear safety glasses to protect your eyes during use.
- Keep the bullet puller and all accessories out of reach of children.
- Inspect the bullet puller and collets for any damage before use. Do not use if damaged.
- Store the bullet puller in a dry place away from moisture and extreme temperatures.

Specific Safety Precautions for Use

- Only use the RCBS 35 Caliber Bullet Puller Collet with jacketed bullets from .17 caliber through .50 caliber.
- Do not use the bullet puller for rimfire ammunition.
- Ensure that the appropriate collet is installed in the puller body before use. Order collets separately as needed.
- Do not exceed the manufacturer's recommended caliber limits.
- Always follow proper reloading practices and procedures when using the puller.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the bullet puller and the appropriate collet.
- Ensure your reloading press is clean and properly set up.

2. Installing the Collet:

- Select the correct collet for the caliber of the bullet you are pulling.
- Install the collet into the puller body according to the manufacturer's instructions.

3. Using the Bullet Puller:

- Place the bullet you wish to pull into the collet.
- Secure the bullet puller in the reloading press, ensuring it is firmly attached.
- Operate the press to pull the bullet from the casing. Ensure your hands and face are clear of the action.
- After pulling the bullet, carefully remove it from the collet.

4. PostUse Care:

- Clean the bullet puller and collets after use to maintain their condition.
- Store the bullet puller and collets in a safe place when not in use.

Disposal Instructions

- Dispose of any damaged or worn bullet puller components in accordance with local waste disposal regulations.
- Do not dispose of the bullet puller in regular household waste if it is still functional; consider donating it or recycling if possible.

Contact Information for Further Support

For any questions, concerns, or further support regarding the RCBS 35 Caliber Bullet Puller Collet, please contact the manufacturer directly. Ensure you have your product details and any relevant information ready when seeking assistance.

Please remember to report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your attention to these guidelines.
