NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. **FEATURES:** Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [22 CALIBER \(0.224"\) 60GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749003585
- Mfr. No.: 16316
- Ballistic Coefficient (G1): 0.228
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 22 Caliber
- Diameter (Breech): 0.224
- Diameter (in): 0.224
- Grain: 60
- Sectional Density: 0.171
- Quantity: 50
- Delivery weight: 0.204kg
- Shipping height: 46mm
- Shipping width: 61mm
- Shipping length: 91mm
- UPC: 054041163163

Safety Instruction Guide for Nosler® Partition® 30 Caliber Flat Base Spitzer Rifle Bullets

Introduction

Thank you for choosing Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets. This guide provides essential safety instructions to ensure the safe use of this product. It adheres to the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Understand that this product is designed for use in firearms and should only be handled by individuals who are knowledgeable about firearms.
- Be aware that improper handling or use can lead to serious injuries or accidents.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or using firearms.
- Ensure that the firearm is in good working order and is suitable for the caliber of the bullet.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Do not exceed the manufacturer's recommended load specifications.
- Handle bullets with care to avoid deformation or damage.
- Avoid using damaged or deformed bullets, as they may cause malfunctions or accidents.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

Instructions for Installation and Usage

• Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before loading bullets.
- Verify that the bullet is compatible with your firearm's caliber.
- Carefully insert the bullet into the cartridge case, ensuring it is seated properly.
- Use a reliable reloading press and follow best practices for reloading ammunition.

• Usage:

- Load the cartridges into the firearm according to the manufacturer's instructions.
- Always check the chamber to confirm that it is clear before loading the firearm.
- When ready to fire, assume a stable shooting position and ensure the target area is clear.
- Fire the firearm in a controlled manner, maintaining focus on safety and proper handling.
- After firing, ensure the firearm is cleared and unloaded before handling it further.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; instead, contact local waste management authorities for proper disposal methods.
- Ensure that all spent cartridges are collected and disposed of responsibly to prevent environmental contamination.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the manufacturer or consult the retailer from whom the product was purchased. Always refer to the official website for the latest updates and safety information.

By following these safety instructions, you can help ensure a safe and enjoyable experience with Nosler® Partition® 30 Caliber Flat Base Spitzer Rifle Bullets. Your safety is our priority.
