

NECK SIZER DIES - RCBS NECK SIZER DIE 7MM REM. MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing dies size only the case neck of the cartridge - not the shoulder or the case body. Use neck dies when cases are fired in the same rifle and a close cartridge case to chamber fit is desired. The neck die will size the neck, decap the spent primer, then size for correct bullet tension with the expander ball. Neck dies come in an RCBS plastic die box and will fit all 7/8 to 14 reloading presses.

Attributes

- Name: [RCBS NECK SIZER DIE 7MM REM. MAG](#)

Safety Instruction Guide for NECK SIZER DIES

RCBS NECK SIZER DIE 7MM REM. MAG

Introduction

Thank you for choosing the NECK SIZER DIES RCBS NECK SIZER DIE 7MM REM. MAG. This guide provides essential safety instructions to ensure the safe and effective use of your neck sizing die. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to size the neck of cartridge cases.
- Always handle the die with care, and keep it out of reach of children and vulnerable individuals.
- Inspect the die for any signs of damage or wear before each use. Do not use if damaged.
- Store the die in its original packaging or a secure location to prevent accidental damage or injury.
- Follow all manufacturer instructions and guidelines for safe operation.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses, to protect your eyes from potential debris.
- Ensure that your reloading press is securely mounted and stable before using the die.
- Avoid overtightening the die in the press, as this can lead to damage or malfunction.
- Use only compatible cartridge cases with the die to ensure proper sizing and fit.
- Be cautious of sharp edges on the die, and handle it with care to avoid cuts or injuries.
- Do not attempt to modify or alter the die in any way, as this can compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation:

- Remove the die from its packaging and inspect it for any damage.
- Ensure that the reloading press is clean and free of debris.
- Insert the neck sizing die into the press and tighten securely, but do not overtighten.

2. Usage:

- Place a clean, fired cartridge case into the shell holder of the press.
- Lower the ram to bring the case into contact with the die.
- Pull the ram back to complete the sizing process.
- Repeat the process for each cartridge case as needed.
- After use, clean the die to remove any residue and store it properly.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste if it is damaged; contact local waste management for guidance.

Contact Information for Further Support

For any questions or concerns regarding the NECK SIZER DIES RCBS NECK SIZER DIE 7MM REM. MAG, please refer to the manufacturer's official website or customer support channels for assistance.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience. Always prioritize safety and adhere to the guidelines provided in this document. Thank you for your attention to these important safety measures.
