

# NECK SIZER DIES - RCBS NECK SIZER DIE 300 WIN MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Neck sizing dies size only the case neck of the cartridge - not the shoulder or the case body. Use neck dies when cases are fired in the same rifle and a close cartridge case to chamber fit is desired. The neck die will size the neck, decap the spent primer, then size for correct bullet tension with the expander ball. Neck dies come in an RCBS plastic die box and will fit all 7/8 to 14 reloading presses.

## Attributes

- Name: [RCBS NECK SIZER DIE 300 WIN MAG](#)

# NECK SIZER DIES RCBS NECK SIZER DIE 300 WIN MAG Safety Instructions

## Introduction

Thank you for purchasing the NECK SIZER DIES RCBS NECK SIZER DIE 300 WIN MAG. This guide provides important safety instructions to ensure the safe and effective use of your neck sizing die. Please read this document carefully before using the product.

## General Safety Guidelines

- Always use the neck sizing die in accordance with the manufacturer's instructions.
- Ensure that you are familiar with the operation of your reloading press before using the neck sizing die.
- Keep the work area clean and free from clutter to prevent accidents.
- Store the neck sizing die in a secure place, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before each use.
- Do not use the die for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment, such as safety glasses and gloves, when handling the neck sizing die.
- Be cautious of sharp edges on the die and handle it carefully to avoid cuts or injuries.
- Ensure that the reloading press is securely mounted and stable before operating.
- Avoid overtightening the die in the press, as this may cause damage to the die or the press.
- Always ensure that the cartridge case is properly positioned in the die before sizing.
- Do not attempt to size cases that have not been fired in the same rifle, as this may lead to improper chamber fit.
- If you experience any unusual resistance while operating the die, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Start by cleaning the die and the reloading press to remove any debris.
- Insert the neck sizing die into the reloading press according to the manufacturer's instructions.
- Secure the die in place, ensuring it is tightened adequately without overtightening.

### 2. Usage:

- Prepare the cartridge cases by ensuring they are clean and free of debris.
- Place a fired cartridge case into the neck sizing die.
- Pull the handle of the reloading press to size the neck of the cartridge case.
- After sizing, the die will decap the spent primer and size for correct bullet tension with the expander ball.
- Remove the sized cartridge case from the die and inspect it for proper sizing.
- Repeat the process for additional cartridge cases as needed.

## Disposal Instructions

- Dispose of any damaged or wornout neck sizing dies in accordance with local regulations.
- Do not throw the die in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

- Ensure that all used cartridge cases are disposed of responsibly, following local guidelines for recycling or hazardous waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the NECK SIZER DIES RCBS NECK SIZER DIE 300 WIN MAG, please refer to the manufacturer's contact information provided with the product packaging. Additionally, you can report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to safety while using the NECK SIZER DIES RCBS NECK SIZER DIE 300 WIN MAG. Your safety is our priority.
