FULL LENGTH SIZING DIES REDDING 270 WSM

Safety Instruction Guide

Introduction

Thank you for choosing the Redding 270 WSM Full Length Sizing Die. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the dies to understand the safety precautions and proper handling methods.

General Safety Guidelines

- Ensure proper ventilation in your workspace when using reloading equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against potential hazards.
- Keep the workspace clean and organized to prevent accidents and injuries.
- Store dies and reloading components in a safe place, out of reach of children and pets.
- Regularly inspect your equipment for wear or damage before use.
- Follow all local laws and regulations related to reloading ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The dies are designed for resizing cartridges and may pose risks if not used correctly.
- Improper use can lead to firearm malfunctions or personal injury.

- **Avoiding Hazards:**

- Do not exceed recommended load specifications when using the dies.
- Ensure that the dies are securely mounted to the reloading press before use.
- Do not attempt to resize cases that are not compatible with the die specifications.
- Always use a headspace gauge when setting up the full length sizing die to ensure proper dimensions.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are knowledgeable about reloading practices. It is not suitable for children.

Instructions for Installation and Usage

1. Installation:

- Unpack the Redding 270 WSM Full Length Sizing Die and verify that all components are included.
- Securely attach the die to the reloading press according to the manufacturer's instructions.
- Ensure the decapping assembly and expander ball are properly installed.

2. Usage:

- Adjust the die according to the specific requirements of your cartridge.
- Insert the cartridge case into the die and operate the reloading press to resize the case.
- After resizing, inspect the cartridge for any signs of damage or improper sizing.
- Clean the die after use to prevent residue buildup.

Disposal Instructions

- Dispose of any used cartridges, components, or packaging materials in accordance with local regulations.
- Do not dispose of materials in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging. It is essential to consult with the manufacturer for any specific questions or concerns related to the Redding 270 WSM Full Length Sizing Die.

Conclusion

Your safety is our top priority. By following the guidelines and instructions outlined in this manual, you can ensure safe and effective use of the Redding 270 WSM Full Length Sizing Die. Always stay informed about safety practices and report any unsafe products or incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
