

# LOCK-N-LOAD AP SHELLPLATE - #1 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #1 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #1. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the LOCKNLOAD AP SHELLPLATE is used strictly according to the manufacturer's instructions.
- Always inspect the shellplate before use for any signs of damage or wear.
- Keep the shellplate out of reach of children and vulnerable individuals.
- Use the shellplate only with compatible reloading presses as specified.
- Store the shellplate in a dry and safe location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the LOCKNLOAD AP SHELLPLATE with the LockNLoad AP and Projector presses.
- Ensure that your press is equipped with the correct Hornady Auto press retrofit kit if it has the old style spring type cartridge case ejector system.
- Do not exceed the recommended cartridge specifications as listed in the product attributes.
- Always wear appropriate safety gear, including eye protection, when operating the reloading press.
- Avoid wearing loose clothing or jewelry that may become entangled during operation.
- Handle all ammunition components with care to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Installation of the Shellplate

- Ensure that the reloading press is unplugged and in a safe position.
- Remove any existing shellplate from the press.
- Align the LOCKNLOAD AP SHELLPLATE with the mounting points on the press.
- Secure the shellplate in place according to the manufacturer's instructions.

### 2. Using the Shellplate

- Load the appropriate cartridges as specified for the shellplate (e.g., 3006 Springfield, .270 Winchester, etc.).
- Ensure that the shellplate is seated correctly and securely before beginning the reloading process.
- Follow the reloading press instructions for operation, ensuring smooth and safe handling of all components.

### 3. PostUse Care

- After use, clean the shellplate to remove any debris or residue.
- Store the shellplate in a safe location to prevent damage.

## **Disposal Instructions**

- Dispose of the shellplate and any associated materials in accordance with local regulations.
- Do not dispose of the shellplate in regular household waste if it is damaged or considered hazardous.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer or retailer where the product was purchased. Ensure you have the model number and any relevant information available for assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with the LOCKNLOAD AP SHELLPLATE #1. Thank you for your attention to these important safety instructions.
