

# LOCK-N-LOAD AP SHELLPLATE - #16 LOCK-N-LOAD AP PROGRESSIVE PRESS SHELLPLATE

[Reloading](#) > [Shellholders & Shellplates](#)

Shell plates for Lock-N-Load AP and Pro-Jector are available to fit most calibers. Each shell plate will also hold additional calibers with the same case head dimensions. Current shell plates are designed to fit Lock-N-Load AP (both EZ-Ject and wire ejector models) and Pro-Jector presses. These shell plates require the purchase of the 749-012-552 Hornady Auto press retrofit kit if your press still has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM. If you have any questions please contact your Sinclair tech 800-717-8211. View Hornady Shellplate Chart.

# LOCKNLOAD AP SHELLPLATE #16 Safety Instruction Guide

## Introduction

Thank you for choosing the LOCKNLOAD AP SHELLPLATE #16. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the shell plate.

## General Safety Guidelines

- Ensure that the LOCKNLOAD AP SHELLPLATE #16 is used only with compatible presses, specifically the LockNLoad AP and Projector.
- Always inspect the shell plate for any damage before use. Do not use if damaged.
- Keep the shell plate out of reach of children and vulnerable individuals.
- Use the shell plate in a wellventilated area to avoid inhaling any dust or particles.
- Follow all manufacturer instructions for the press and shell plate to ensure proper operation.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the shell plate is compatible with the caliber you are using. Refer to the list of compatible cartridges:
  - 223 Remington
  - 204 Ruger
  - 221 Remington Fireball
  - 222 Remington
  - 17 Remington
  - 222 Remington Mag
  - 7 mm TCU
  - 17 Remington Fireball
  - 20 Tactical
  - 6mm TCU
  - 6 x 47 Remington
- **Ejector System:** If your press has the OLD STYLE SPRING TYPE CARTRIDGE CASE EJECTOR SYSTEM, you must purchase the 749012552 Hornady Auto press retrofit kit for safe operation.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE, such as safety glasses and gloves, while using the shell plate to protect against any debris or accidents.
- **Supervision:** If children or inexperienced users are present, ensure that they are supervised at all times while the shell plate is in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the press is turned off and unplugged before beginning installation.
- Remove any existing shell plate from the press.
- Align the LOCKNLOAD AP SHELLPLATE #16 with the press mounting points.
- Securely fasten the shell plate according to the manufacturer's instructions.
- Ensure that the shell plate is properly seated and locked in place.

### 2. Usage:

- Load the appropriate caliber cartridge into the shell plate.

- Follow the press manufacturer's instructions for operating the press.
- Monitor the operation closely for any signs of malfunction or issues.
- After use, clean the shell plate according to the manufacturer's recommendations to maintain its condition.

## **Disposal Instructions**

- Dispose of the shell plate in accordance with local regulations.
- If the shell plate is damaged and cannot be used, consider recycling if applicable.
- Do not dispose of the shell plate in regular household waste if it is hazardous.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD AP SHELLPLATE #16, please contact your local Sinclair tech or the manufacturer for assistance. Always refer to the official website for the most accurate and up-to-date information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the LOCKNLOAD AP SHELLPLATE #16. Your safety is our priority. Thank you for your attention and commitment to safe usage practices.
