Safety Instruction Guide for Hornady InterLock® 338 Caliber Bullets

Introduction

Thank you for choosing Hornady InterLock® 338 Caliber (0.338") 250GR Round Nose Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to prevent accidents and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure safe handling and storage of all ammunition.
- Always treat every bullet as if it is live and capable of firing.
- Store bullets in a cool, dry place away from direct sunlight.
- Keep bullets out of reach of children and unauthorized users.
- Follow all local, national, and international laws regarding ammunition storage and use.
- Be aware of your surroundings and ensure a safe environment when handling or using bullets.

Specific Safety Precautions for Use

- Always wear appropriate eye and hearing protection when handling or using ammunition.
- Do not use bullets that are damaged or show signs of corrosion.
- Ensure that your firearm is compatible with 338 Caliber ammunition before use.
- Follow the manufacturer's instructions for your firearm regarding ammunition specifications.
- Use only in designated shooting ranges or safe areas where shooting is permitted.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of the potential for ricochet and take precautions to avoid it.

Instructions for Installation and Usage

- Verify the firearm is unloaded before inserting any ammunition.
- Load bullets according to the manufacturer's instructions for your specific firearm model.
- Check that the bullet is seated correctly in the chamber before firing.
- Always follow proper shooting techniques and safety protocols during use.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.
- Clean your firearm regularly to ensure proper function and safety.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash; contact local waste management authorities for proper disposal methods.
- Ensure that all ammunition is stored securely until disposal to prevent accidents.

Contact Information for Further Support

For any inquiries or additional support regarding safety concerns, please reach out to the appropriate EU-based contact point provided by the manufacturer or retailer.

Conclusion

By following these safety guidelines, you can help ensure a safe experience with Hornady InterLock® 338 Caliber Bullets. Always prioritize safety and be informed about the best practices for handling and using

ammunition. Thank you for your attention to these important safety measures.
