

# TRIM DIES - REDDING TRIM DIE 20 TACTICAL

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

## Attributes

# Safety Instruction Guide for Redding Trim Die 20 Tactical

## Introduction

Thank you for choosing the Redding Trim Die 20 Tactical. This product is designed to help you file trim your cases without unnecessary resizing. While using this product, your safety and the safety of others is of utmost importance. This guide provides essential safety instructions and guidelines to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Do not use the product if it appears damaged or malfunctioning.
- Store the product in a secure location away from children and unauthorized users.
- Report any unsafe conditions or incidents to relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from sharp edges or moving parts during operation.
- Potential for misfires if not used correctly.
- Risk of eye injury from metal shavings or debris.

### • Avoiding Hazards:

- Always ensure that the die is securely mounted before use.
- Do not attempt to modify the die or use it for purposes other than intended.
- Follow all manufacturer instructions for the proper setup and operation of the die.
- Never attempt to trim cases that are too short or too long for the die specifications.

### • Age Specific Warnings:

- This product is intended for use by individuals over the age of 18.
- Keep out of reach of children and ensure that only responsible adults handle the product.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is compatible with the Redding Trim Die.
2. Securely mount the die in the reloading press according to the manufacturer's instructions.
3. Adjust the die for the specific cartridge length as per the guidelines provided in the product manual.

### • Usage:

1. Prepare your cases for trimming by ensuring they are clean and free of debris.
2. Insert the case into the die and apply steady pressure to trim the case to the desired length.
3. Regularly check the trimmed cases for consistent length and quality.

4. Clean the die after use to prevent buildup of brass shavings and ensure optimal performance.

## Disposal Instructions

- Dispose of any metal shavings and debris in accordance with local waste disposal regulations.
- If the die is no longer usable, check with local authorities for proper disposal methods for metal products.
- Do not dispose of the product in regular household waste if it is still functional; consider donating to a local shooting or reloading community.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Redding Trim Die 20 Tactical, please refer to the manufacturer's website or contact their customer support. Always ensure that you have the product details on hand for accurate assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Redding Trim Die 20 Tactical. Thank you for prioritizing safety in your reloading activities.
