

# 30 M1 CARBINE CUSTOM GRADE 3-DIE SET - 30 M1 CARBINE FULL LENGTH 3-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Hornady's Custom Grad Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. The Custom Grade Full Length 3-Die Set includes a Custom Grade Full Length Die, Seater Die, and Expander Assembly. Dies are complete with Zip Spindle decap assembly and double-flat lock rings, packaged in a custom plastic die box.

# Safety Instructions for 30 M1 Carbine Custom Grade 3Die Set

## Introduction

Thank you for choosing the 30 M1 Carbine Custom Grade 3Die Set by Hornady. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read the following information carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in reloading ammunition. Follow all safety instructions to minimize risks.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please ensure you register your product for updates.
- **Online Shopping Protections:** If purchased online, you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** Extra care should be taken when used around vulnerable groups, including children. Keep all components out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with your product packaging.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Age Restriction:** This product is intended for use by individuals aged 18 years and older. Ensure that no minors are allowed to handle or use the dies.
- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when handling reloading equipment to protect against potential hazards.
- **Work Area Safety:** Ensure your work area is clean, welllit, and free from distractions. Keep the area organized to avoid accidents.
- **Handling of Components:** Handle all dies and components with care. Do not force any parts together, as this may cause damage or injury.
- **Storage:** Store the dies in a secure location, preferably in the custom plastic box provided, to prevent damage and unauthorized access.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the die set from the packaging. Inspect each component for any damage or defects before use.
2. **Setup:**
  - Ensure your reloading press is compatible with the 30 M1 Carbine dies.
  - Install the Custom Grade Full Length Die into the press according to the manufacturer's instructions.
  - Follow with the Seater Die and Expander Assembly, ensuring each is securely tightened.
3. **Using the Dies:**
  - **Decapping:** Use the Zip Spindle decap assembly to remove spent primers safely.
  - **Resizing:** Follow the instructions for resizing cases with the Full Length Die.
  - **Seating:** Adjust the Seater Die to achieve the desired bullet seating depth. Test with a few cases to ensure proper seating.
4. **Routine Checks:** Regularly check the dies for wear and tear. If any components appear damaged, discontinue use and replace them.

## Disposal Instructions

- **Disposal of Components:** Dispose of any damaged or worn components in accordance with local regulations. Do not throw them in regular trash.
- **Recycling:** Where possible, recycle metal and plastic components according to your local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the contact information provided with your product packaging. It is important to ensure you have access to support for safe use and maintenance of your reloading equipment.

By following these safety instructions, you can ensure a safe and effective reloading experience with your 30 M1 Carbine Custom Grade 3Die Set. Always prioritize safety and adhere to all guidelines provided.
