

COMPETITION SHELLHOLDER SETS - REDDING #1 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are $+.002"$, $+.004"$, $+.006"$, $+.008"$, and $+.010"$ thicker than normal shellholders ($.125"$ from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

Competition Shellholder Sets Safety Instruction Guide

Introduction

Thank you for choosing the Redding Competition Shellholder Set. This guide provides essential safety instructions to ensure the safe and effective use of your shellholder set. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used for its intended purpose only.
- Always handle shellholders and reloading equipment with care.
- Store the shellholder set in a safe place, away from children and pets.
- Regularly inspect the shellholders for signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition and reloading practices.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Use the correct shellholder thickness for your specific cartridge to avoid headspace issues.
- Do not exceed the recommended thickness when selecting a shellholder.
- Avoid using damaged or worn shellholders, as they may lead to unsafe reloading practices.
- Keep the work area clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Selecting the Shellholder:

- Choose the appropriate shellholder based on the cartridge you are reloading.
- The set includes five shellholders with thicknesses of $+0.002"$, $+0.004"$, $+0.006"$, $+0.008"$, and $+0.010"$.

2. Installation:

- Ensure your reloading press is clean and free of obstructions.
- Insert the selected shellholder into the reloading press according to the manufacturer's instructions.
- Make sure the shellholder is securely in place before proceeding.

3. Usage:

- Follow the reloading procedure as outlined in your reloading manual.
- Adjust your headspace by selecting the appropriate thickness shellholder.
- After reloading, inspect each cartridge for proper fit and function.

4. PostUse Care:

- Clean the shellholders after use to remove any debris or residue.
- Store the shellholder set in the provided storage box to protect it from damage.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.

- Do not throw shellholders in regular household waste. Check for local recycling programs.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Redding Competition Shellholder Set, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety while using your Redding Competition Shellholder Set. Enjoy your reloading experience responsibly!
