

TRIM PRO 3-WAY CUTTERS - RCBS 6MM TRIM PRO 3-WAY CUTTER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Replacement Cutters](#)

The RCBS 3-Way Cutter is designed for use on Trim Pro Case Trimmers and reduces the trimming /deburring chore. The 3-Way Cutter not only trims cases to lengths but an inside blade chamfers the case while an outside blade deburrs it. Install on all Trim Pro Case Trimmers. Order one 3-Way Cutter by caliber and then simply order additional chamfer/pilots for other calibers.

Attributes

TRIM PRO 3WAY CUTTERS RCBS Safety Instruction Guide

Introduction

Thank you for choosing the TRIM PRO 3WAY CUTTERS by RCBS. This product is designed to enhance your case trimming process, making it efficient and safe. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always read and understand the user manual before operating the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all safety instructions to minimize the risk of injury.

Specific Safety Precautions for Use

- Use protective eyewear when operating the cutter to protect against debris.
- Avoid loose clothing and jewelry that may get caught in the machinery.
- Do not operate the cutter if you are tired or under the influence of drugs or alcohol.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Always disconnect the cutter from its power source when changing blades or performing maintenance.
- Be cautious of sharp edges and blades; handle with care to avoid cuts.

Instructions for Installation and Usage

1. Installation of the 3Way Cutter:

- Ensure that your Trim Pro Case Trimmer is turned off and unplugged.
- Remove the existing cutter from the trimmer, if applicable.
- Align the 3Way Cutter with the mounting slot on the trimmer.
- Securely attach the cutter by following the manufacturer's instructions.
- Doublecheck that the cutter is firmly in place before plugging in the trimmer.

2. Using the 3Way Cutter:

- Plug in the Trim Pro Case Trimmer and ensure it is on a stable surface.
- Insert the case into the trimmer as per the user manual.
- Activate the trimmer and allow the 3Way Cutter to perform its functions: trimming, chamfering, and deburring.
- After use, turn off and unplug the trimmer before removing the case.

3. Maintenance:

- Regularly clean the cutter to remove debris and ensure optimal performance.
- Inspect blades for sharpness and replace them if they show signs of wear.
- Store the cutter in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in household waste; instead, take it to a designated recycling center if available.
- Ensure that all sharp components are securely packaged to prevent injury during disposal.

Contact Information for Further Support

For any inquiries regarding safety concerns or product information, please refer to the manufacturer's contact resources.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and efficient experience with the TRIM PRO 3WAY CUTTERS by RCBS. Always prioritize safety and maintain the product in good working condition for optimal performance. Thank you for your attention to these important safety measures.
