

TYPE S BUSHING FULL DIES - REDDING 308 WINCHESTER BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 308 WINCHESTER BUSHING FULL LENGTH TYPE S DIE

Introduction

Thank you for choosing the Redding Type S Bushing Full Length Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. It is important to follow these guidelines to minimize risks and ensure a safe reloading experience.

General Safety Guidelines

- **Product Safety:** Always use the die according to the instructions provided. Ensure that it is suitable for your specific reloading needs.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This die is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for alerts on unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read the instruction manual before using the die.
- **Inspect the Die:** Check the die for any signs of damage or wear before use. Do not use if damaged.
- **Wear Protective Gear:** Use appropriate eye protection and gloves when reloading.
- **Work Area:** Ensure your work area is clean, welllit, and free from distractions.
- **Proper Handling:** Handle the die with care to avoid injury. Avoid direct contact with sharp edges.
- **Avoid Overloading:** Do not exceed the recommended load limits when using the die.
- **Use Compatible Components:** Ensure that all components used with the die are compatible and in good condition.

Instructions for Installation and Usage

1. Installation:

- Secure the die in the reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to avoid movement during use.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them before resizing.
- Adjust the bushing position using the adjustable decapping rod if necessary.
- Place the cartridge case in the die and operate the press smoothly to resize the case.
- Monitor the resizing process to ensure that it is performed correctly.
- After resizing, remove the case from the die and inspect it for proper sizing.

3. Maintenance:

- Clean the die after use to prevent residue buildup.
- Store the die in a dry place to avoid rust and damage.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the die or its components in general waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the contact information provided by your retailer or manufacturer. They can assist you with any questions or concerns you may have about the Redding Type S Bushing Full Length Die.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Bushing Full Length Die. Thank you for prioritizing safety in your reloading practices.
