

# TYPE S BUSHING NECK DIES - TYPE S BUSHING NECK DIE 6.5-284 NORMA

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Type S Bushing Neck Die provides reloaders with a simple means to precisely control case neck size and tension. Uses interchangeable sizing bushing available in .001" increments. The adjustable decapping rod allows positioning the bushing to resize only a portion of the neck length if desired. Concentricity is enhanced by the ability of the resizing bushing to self-center on the case neck. The decapping rod is supplied with a standard size button. This is especially useful for reloaders who are using commercial brass as is. A decapping pin retainer is also supplied with most Type S Bushing Dies except 17 and 20 Caliber. This enables neck sizing without the use of the size button for those who sort and/or turn case necks for uniformity.

## Attributes

- Name: [TYPE S BUSHING NECK DIE 6.5-284 NORMA](#)
- Manufacturer: [REDDING](#)
- Product no.: 749006567

# Safety Instruction Guide for TYPE S BUSHING NECK DIES

## Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE 6.5284 NORMA. This die is designed to provide reloaders with precise control over case neck sizing and tension. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Product Safety: This product is designed to meet safety standards for nonfood items. Ensure safe handling and use.
- Enhanced Recalls: Stay informed about any recalls related to this product. Follow the instructions provided in case of a recall.
- Online Shopping: When purchasing online, ensure that the platform complies with safety requirements.
- Special Consumer Focus: Extra care should be taken by vulnerable groups, including children, when using this product.
- EU Contact Point: For safety inquiries, please refer to the appropriate EU contact point.
- Rapid Alerts: Monitor the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this die.
- Ensure that the workspace is clean and free of obstructions to prevent accidents.
- Keep the die and all components out of reach of children and pets.
- Do not modify the die in any way, as this may compromise safety and functionality.
- Use the die only for its intended purpose, which is to resize case necks for 6.5 x 284 mm Winchester cartridges.
- Regularly inspect the die for signs of wear or damage. Do not use if damaged.
- Ensure that the bushing is securely positioned before use to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the Type S Bushing Neck Die to the reloading press according to the manufacturer's instructions.
- Insert the sizing bushing into the die, ensuring it is properly seated.
- Adjust the decapping rod as needed for your specific reloading requirements.

### 2. Usage:

- Place the cartridge case into the shell holder of the reloading press.
- Raise the ram to bring the case into contact with the resizing bushing.
- If you wish to resize only a portion of the neck length, adjust the decapping rod accordingly.
- After resizing, lower the ram and remove the case from the shell holder.
- Inspect the resized case for proper neck tension and dimensions before proceeding to the next step of reloading.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die or its components are no longer usable, dispose of them in a manner that ensures they cannot be accessed by children or pets.
- Check local regulations regarding the disposal of metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the TYPE S BUSHING NECK DIE, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

Thank you for following these safety instructions. Your attention to safety will help ensure a successful and enjoyable reloading experience.
