

# COMPETITION HANDGUN BULLET SEATER DIES - REDDING 44-40 WINCHESTER BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

These seater have a precision fitting bullet seating stem which is spring loaded. As the bullet and case move up into the seater positive alignment is insured. The micrometer adjustment on the seating stem simplifies setting and recording bullet seating depth. The micrometer is calibrated in .001 inch increments, is infinitely adjustable, and has a zero set feature. This seater has no crimping features. Crimping should be done with a separate Redding Profile Crimp or Taper Crimp die. The Competition seating die for the handgun and straight wall cases is compatible with most progressive reloading presses.

## Attributes

- Name: [REDDING 44-40 WINCHESTER BULLET SEATING DIE](#)

# Safety Instruction Guide for Competition Handgun Bullet Seater Dies

## Introduction

Thank you for choosing the Competition Handgun Bullet Seater Dies by Redding. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Product Safety:
  - Ensure the safe use of this product in accordance with the EU General Product Safety Regulation (GPSR).
  - Be aware of risks associated with reloading equipment and follow all safety recommendations.
- Enhanced Recalls:
  - Stay informed about any recalls or safety notices related to this product.
- Online Shopping:
  - If purchased online, ensure that the seller meets all safety requirements as mandated by EU regulations.
- Special Consumer Focus:
  - Extra care should be taken when the product is used by individuals who may be vulnerable, including inexperienced users.
- EU Contact Point:
  - For safety inquiries, refer to the product information where an EU-based contact point will be provided.
- Rapid Alerts:
  - Monitor the EU's Safety Gate platform for alerts regarding unsafe products.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using reloading equipment.
- Keep the work area clean and organized to avoid accidents.
- Ensure that the bullet seating die is securely mounted before use.
- Do not exceed recommended bullet seating depths to prevent firearm malfunctions.
- Keep the product out of reach of children and unauthorized users.
- Avoid using the die with damaged or worn components.
- Store the product in a dry and secure location when not in use.

## Instructions for Installation and Usage

## Installation

### 1. Mounting the Die:

- Ensure that your reloading press is turned off and unplugged.
- Select an appropriate station on your reloading press for the bullet seating die.
- Screw the die into the press until it is securely fastened.

### 2. Adjusting the Die:

- Use the micrometer adjustment on the seating stem to set the desired bullet seating depth.
- Ensure the micrometer is calibrated in .001 inch increments for precision.

### 3. Loading the Bullet:

- Place a cartridge case into the press and raise it to the die.
- Insert the bullet into the case mouth before engaging the seating process.

## Usage

- Raise the press handle smoothly to seat the bullet into the case.
- Monitor the bullet seating depth and make adjustments as necessary using the micrometer.
- After seating, check the cartridges for proper seating depth before proceeding with crimping using a separate Redding Profile Crimp or Taper Crimp die.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the product in regular household waste. Check for designated disposal sites for hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the Competition Handgun Bullet Seater Dies by Redding, please refer to the product packaging or your place of purchase for the EUbased contact information.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Competition Handgun Bullet Seater Dies. Thank you for your attention to safety and for choosing Redding products.
