

# COMPETITION HANDGUN BULLET SEATER DIES - REDDING

## COMPETITION SEATER DIE 41 MAG

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

These seaters have a precision fitting bullet seating stem which is spring loaded. As the bullet and case move up into the seater positive alignment is insured. The micrometer adjustment on the seating stem simplifies setting and recording bullet seating depth. The micrometer is calibrated in .001 inch increments, is infinitely adjustable, and has a zero set feature. This seater has no crimping features. Crimping should be done with a separate Redding Profile Crimp or Taper Crimp die. The Competition seating die for the handgun and straight wall cases is compatible with most progressive reloading presses.

# Safety Instruction Guide for Redding Competition Handgun Bullet Seater Die

## Introduction

Thank you for choosing the Redding Competition Handgun Bullet Seater Die, designed for precision bullet seating in 41 Remington Magnum cartridges. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the die by following all instructions. This die is designed for nonfood use only.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check regularly for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to an EU-based contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die.
- Ensure that the reloading press is securely mounted and stable before use.
- Do not exceed the recommended bullet seating depth as specified in your reloading manual.
- Avoid distractions while reloading to maintain focus and ensure safety.
- Always check for proper alignment of the bullet and case before seating.
- Do not use the die for crimping; use a separate Redding Profile Crimp or Taper Crimp die for that purpose.
- Regularly inspect the die for wear or damage before each use.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the reloading press on a stable work surface.
- Insert the Redding Competition Bullet Seater Die into the press according to the manufacturer's instructions.
- Ensure that the die is properly tightened and aligned.

### 2. Setting Up the Die:

- Adjust the micrometer on the seating stem to the desired bullet seating depth. The micrometer is calibrated in .001 inch increments for precision.
- Use the zero set feature to ensure accurate measurements.

### 3. Using the Die:

- Place a cartridge case into the shell holder of the press.
- Insert a bullet into the case mouth.
- Gradually raise the press handle to seat the bullet into the case. Ensure that the bullet and case

- are positively aligned during this process.
- After seating, lower the press handle and remove the completed cartridge.

#### 4. PostUse Care:

- Clean the die after each use to prevent residue buildup.
- Store the die in a dry place, away from moisture and dust.

## Disposal Instructions

- Dispose of the product according to local regulations for nonhazardous materials.
- Do not dispose of the die in regular household waste if it is damaged or no longer usable. Contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Handgun Bullet Seater Die, please refer to the manufacturer's contact information provided with your product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Competition Handgun Bullet Seater Die. Thank you for your attention to safety!
