

COMPETITION BUSHING NECK DIES - REDDING COMPETITION BUSHING NECK DIE 30-06 SPRINGFIELD

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: [REDDING COMPETITION BUSHING NECK DIE 30-06 SPRINGFIELD](#)
- Manufacturer: [REDDING](#)

Safety Instruction Guide for Redding Competition Bushing Neck Die 3006 Springfield

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die for your reloading needs. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is resizing the neck of cartridge cases.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the work area clean and free of distractions to maintain focus during the reloading process.
- Store the die in a secure location, out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and usage.

Specific Safety Precautions for Use

- Always ensure that the die is properly assembled and all components are securely fastened before use.
- Avoid overtightening the die, as this may lead to damage or failure during operation.
- Do not use the die with cases that are damaged or excessively worn, as this may cause unsafe conditions.
- Use only the recommended bushings and shellholders designed for this die. Bushings and shellholders are sold separately.
- Never exceed the recommended load data provided by your reloading manual.
- Be aware of your surroundings and ensure that no one is in close proximity while resizing cases.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is securely mounted and stable.
- Insert the Redding Competition Bushing Neck Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired position, ensuring it is tightened securely.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for any damage.
- Select the appropriate sizing bushing for your case neck.
- Insert the cartridge case into the die and ensure it is properly aligned.
- Begin the resizing process by operating the reloading press, allowing the bushing to self-center on the case neck.
- Monitor the resizing process closely to ensure proper alignment and functioning.
- After resizing, remove the case from the die and inspect it for any defects.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management authorities for proper disposal methods.

- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided on the product packaging or the manufacturer's website.

Thank you for prioritizing safety while using the Redding Competition Bushing Neck Die. Enjoy your reloading experience!
