

COMPETITION BUSHING NECK DIES - REDDING COMPETITION BUSHING NECK DIE 204 RUGER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: [REDDING COMPETITION BUSHING NECK DIE 204 RUGER](#)

Safety Instruction Guide for Redding Competition Bushing Neck Die 204 Ruger

Introduction

Thank you for purchasing the Redding Competition Bushing Neck Die for 204 Ruger. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe and effective operation of the product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is resizing cartridge cases for the 204 Ruger.
- Always handle reloading equipment with care to avoid accidents.
- Store the die in a dry and secure location, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the die.
- Ensure that the work area is welllit and free from clutter to avoid accidents.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.
- Do not exceed the recommended specifications for cartridge case resizing.
- Use the die only with compatible components as specified by the manufacturer.
- Keep hands and other body parts clear of moving parts during operation.
- If you experience any unusual noises or resistance while using the die, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation of the Die:

- Ensure your reloading press is securely mounted and stable.
- Remove any previous dies from your reloading press.
- Carefully screw the Redding Competition Bushing Neck Die into the press until snug. Do not overtighten.
- Insert the appropriate bushing into the die.

2. Preparing for Use:

- Clean the cartridge cases to remove any dirt or debris.
- Inspect the cases for any signs of damage or wear.
- Lubricate the cases if necessary, following the manufacturer's recommendations.

3. Resizing Process:

- Insert a cartridge case into the die.
- Slowly raise the press handle to begin the resizing process.
- Ensure that the cartridge case remains aligned and supported throughout the process.
- After resizing, lower the press handle and remove the cartridge case.

4. PostUse:

- Clean the die after each use to prevent buildup of residue.
- Store the die in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for any recycling programs that may accept metal components.
- Ensure that any hazardous materials, such as lubricants or cleaning agents, are disposed of according to local environmental guidelines.

Contact Information for Further Support

For questions or concerns regarding the Redding Competition Bushing Neck Die, please refer to the manufacturer's website or customer service resources. Ensure that you have the product information ready for accurate assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die. Thank you for your attention to these guidelines.
