

COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 6MM PPC

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: COMPETITION BUSHING NECK DIE 6MM PPC
- Manufacturer: REDDING
- Product no.: 749007455
- Mfr. No.: 56319

Safety Instruction Guide for Competition Bushing Neck Die 6mm PPC

Introduction

Thank you for choosing the Competition Bushing Neck Die 6mm PPC. This product is designed to provide precision resizing for your cartridge cases, ensuring optimal performance for competition shooting. Please read this safety instruction guide carefully to ensure safe and effective use of the die.

General Safety Guidelines

- **Product Safety:** This die is designed for safe use in resizing cartridge cases. Always inspect the die before use to ensure it is in good condition.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or disposing of the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations. Verify that the product meets EU safety standards.
- **Special Consumer Focus:** This product is intended for adult use only. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the die to prevent injury from debris.
- Ensure the die is securely mounted in your reloading press before use.
- Do not exceed the recommended sizing pressure to avoid damage to the die or cartridge cases.
- Keep hands and other body parts clear of moving parts during operation.
- Do not use the die for any purpose other than resizing 6mm PPC cartridge cases.
- Inspect the die regularly for wear and tear. Replace any damaged parts immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is clean and free of debris.
- Insert the Competition Bushing Neck Die into the press and tighten securely.
- Adjust the die to the desired position for sizing.

2. Usage:

- Place a cartridge case into the sliding sleeve of the die.
- Start the resizing process by operating the reloading press handle.
- Monitor the alignment of the cartridge case to ensure proper resizing.
- After sizing, remove the cartridge case and inspect it for any defects.

3. Micrometer Adjustment:

- Use the micrometer adjustment to set the desired neck length for sizing.
- Make small adjustments and test with a few cases to ensure accuracy before resizing a larger batch.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations for hazardous waste.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Competition Bushing Neck Die 6mm PPC, please refer to the contact information provided by the retailer or manufacturer. Your safety and satisfaction are our top priorities. Thank you for choosing our product!
