

COMPETITION BUSHING NECK DIES - REDDING COMPETITION BUSHING NECK DIE 280 ACKLEY IMP

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: [REDDING COMPETITION BUSHING NECK DIE 280 ACKLEY IMP](#)

Safety Instruction Guide for Redding Competition Bushing Neck Die 280 Ackley Improved

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die for your reloading needs. This guide provides essential safety instructions and recommendations to ensure the safe and effective use of this product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is resizing the neck of cartridge cases for the 280 Ackley Improved.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the work area clean and free from distractions to prevent accidents.
- Store the die in a secure place, away from children and unauthorized users.
- Regularly inspect the die for wear or damage before each use. Do not use if damaged.
- Follow all local regulations and guidelines regarding the handling and use of ammunition and reloading equipment.

Specific Safety Precautions for Use

- *Hazard Identification:* Ensure that the die is compatible with the specific cartridge you are reloading. Be aware of potential risks associated with resizing cartridge cases, including the risk of case failure.
- *Avoiding Hazards:* Do not exceed recommended sizing limits as indicated in the die specifications. Always ensure that the cartridge case is properly aligned and supported before beginning the resizing process.
- *Audience Specific Warnings:* This product is intended for use by individuals who are knowledgeable about reloading and firearms. It is not suitable for use by children or inexperienced users without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is securely mounted and stable.
- Insert the Redding Competition Bushing Neck Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired position for resizing.

2. Usage:

- Prepare the cartridge cases by cleaning and inspecting them for any damage.
- Insert the cartridge case into the die's sliding sleeve, ensuring it is fully supported.
- Begin the resizing process by moving the handle of the press smoothly and steadily.
- Monitor the resizing process to ensure the bushing selfcenters on the case neck.
- After resizing, remove the cartridge case and check for proper dimensions.

3. PostUsage:

- Clean the die after each use to prevent corrosion and maintain performance.
- Store the die in a protective case or original packaging to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn components of the die in accordance with local regulations.
- Do not dispose of cartridge cases or any reloading materials in regular household waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Bushing Neck Die, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Competition Bushing Neck Die. Thank you for your attention to safety, and happy reloading!
