# **Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS 17 REMINGTON FIREBALL BUSHING NECK DIE SET**

## **Introduction**

Thank you for choosing the Type S Bushing Neck Die Set for the 17 Remington Fireball. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set.

## **General Safety Guidelines**

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the working environment is clean and free from distractions.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set before use to ensure it is in good condition and free from defects.
- Report any unsafe conditions or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Wear appropriate safety gear, including safety glasses, while using the die set.
- Handle all components with care to avoid injury.
- Do not exceed the recommended specifications for case neck sizing and tension.
- Use only compatible cartridges with the die set to prevent malfunctions.
- Be cautious of hot surfaces during and after use, as components may retain heat.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure that your reloading bench is stable and welllit.
- Gather all necessary tools, including the wrench and extra decapping pin provided.

### **2. Installation**

- Remove the die set from the packaging.
- Install the Type S Bushing Neck Die into your reloading press according to the manufacturer's instructions.
- Make sure the die is securely tightened and properly aligned.

### **3. Usage**

- Adjust the bushing in the neck die to achieve the desired neck tension.
- Insert the cartridge case into the die and operate the press smoothly.
- Monitor the process to ensure consistent results and avoid oversizing.

### **4. PostUsage**

- After reloading, clean the die set and store it in a safe, dry place.
- Check for any signs of wear or damage before the next use.

## Disposal Instructions

- Dispose of any packaging materials and components in accordance with local regulations.
- Do not dispose of the die set in regular household waste if it is damaged or defective. Contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the Type S Bushing Neck Die Set, please refer to the manufacturer's contact information provided in the product packaging. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
