Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SET

Introduction

Thank you for purchasing the TYPE S MATCH BUSHING NECK DIE SET designed for the 7MM Remington Magnum. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that the die set is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion and injury from improper handling.
- Always follow local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Use the die set only for its intended purpose: reloading 7MM Remington Magnum cartridges.
- Ensure that the workspace is clean, dry, and wellventilated.
- Do not smoke or have open flames near the reloading area.
- Avoid distractions while using the die set to maintain focus and precision.
- Store all reloading components, including powders and primers, in a secure location away from heat sources and direct sunlight.
- In the event of an accident or if you suspect a malfunction, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Setting Up the Die Set:

- Unpack the die set and ensure all components (Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die) are present.
- Clean the dies with a suitable solvent to remove any manufacturing residues.
- Install the dies into your reloading press according to the manufacturer's instructions.

2. Reloading Process:

- Follow the reloading data specific to the 7MM Remington Magnum to ensure proper powder charges and bullet seating depths.
- Adjust the sizing die to the correct depth to ensure proper neck tension on the cartridge.
- Use the body die to resize the entire case if necessary.
- Use the competition seating die to seat the bullet to the desired depth, ensuring consistency for accuracy.

3. PostUse Care:

- Clean the dies after use to prevent corrosion and maintain performance.
- Store the die set in a cool, dry place, preferably in its original packaging.

Disposal Instructions

- Dispose of any used or damaged components according to local regulations.
- Do not dispose of reloading powders or primers in regular trash. Contact local hazardous waste disposal services for guidance.
- Ensure that all packaging materials are recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the TYPE S MATCH BUSHING NECK DIE SET, please consult the manufacturer's website or customer service for assistance.

Stay safe and enjoy your reloading experience!
