# TYPE S MATCH BUSHING NECK DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Follow all local laws and regulations regarding reloading and ammunition.
- Ensure that the workspace is clean, organized, and free from distractions.
- Keep the die set out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Be aware of potential hazards associated with reloading, including the risk of injury from improper handling of components and tools.

## Specific Safety Precautions for Use

- Ensure that the die set is compatible with your specific cartridge (7 mm 08 Remington).
- Inspect the die set for any damage or defects before use. Do not use if damaged.
- Always use the die set in accordance with the manufacturer's instructions.
- Do not exceed recommended load limits as specified in reliable reloading manuals.
- Store reloading components, including powders and primers, in a cool, dry place away from direct sunlight and heat sources.
- Avoid using any tools or components that are not specifically designed for use with this die set.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die.
- Ensure that your reloading press is securely mounted and stable.

### 2. Installation:

- Install the Type S Bushing Neck Sizing Die in the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired sizing depth, ensuring that it is correctly aligned with the shell holder.
- Install the Body Die in the same manner, making sure it is securely tightened.
- Finally, install the Competition Seating Die, adjusting it according to your bullet specifications.

### 3. Usage:

- Begin by resizing the brass cases using the Type S Bushing Neck Sizing Die. Follow the recommended techniques to achieve the desired neck tension.
- Use the Body Die to ensure proper case dimensions and fit.
- When seating bullets, use the Competition Seating Die to achieve the desired overall length (OAL) for your ammunition.

- Regularly check for consistency and accuracy during the reloading process.

#### **4. PostUse:**

- After use, clean the die set according to the manufacturer's recommendations.
- Store the die set in a safe and secure location to prevent damage or unauthorized access.

## **Disposal Instructions**

- Follow local regulations for the disposal of reloading components and materials.
- Do not dispose of any hazardous materials in regular trash. Consult local waste management services for appropriate disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding the TYPE S MATCH BUSHING NECK DIE SET, please refer to the manufacturer's website or customer service resources.

By following these safety instructions and guidelines, you will ensure a safe and effective reloading experience with the TYPE S MATCH BUSHING NECK DIE SET. Thank you for prioritizing safety in your reloading practices.
