# TYPE S MATCH BUSHING NECK DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET designed for use with the 300 WSM (Winchester Short Mag) cartridge. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this manual thoroughly before using the die set.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the TYPE S MATCH BUSHING NECK DIE SET by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls that may affect your die set. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** If you purchased this product online, ensure that the retailer complies with safety requirements to guarantee the product's safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For safety inquiries, contact your local EU-based consumer protection authority.
- **Rapid Alerts:** Familiarize yourself with the Safety Gate system for quick updates on any potential hazards associated with this product.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand this manual before using the die set.
- **Inspect the Product:** Before each use, inspect the die set for any signs of damage or wear. Do not use if damaged.
- **Use Proper Equipment:** Ensure that you are using compatible reloading equipment and tools.
- **Wear Protective Gear:** Use safety glasses and gloves while handling and using the die set to protect against potential hazards.
- **Avoid Distractions:** Focus on your work area and avoid distractions while using the die set to maintain safety and precision.
- **Follow Load Data:** Always refer to reliable reloading manuals for load data specific to the 300 WSM cartridge.
- **Store Safely:** Store the die set in a secure location, away from children and pets, and in a dry environment.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary tools and materials before beginning the setup.

### 2. Installing the Bushing Neck Sizing Die:

- Remove the existing die from your press if applicable.
- Insert the Type S Bushing Neck Sizing Die into the press and tighten securely.
- Adjust the die to the desired position for neck sizing.

### 3. Installing the Body Die:

- Follow the same procedure to install the Body Die.
- Ensure it is set to the correct depth according to your specific reloading needs.

#### 4. **Installing the Competition Seating Die:**

- Install the Competition Seating Die in the same manner.
- Adjust the seating depth according to the bullet specifications.

#### 5. **Reloading Process:**

- Begin the reloading process by following the load data from reliable sources.
- Monitor the operation closely and make adjustments as necessary.

#### 6. **After Use:**

- Clean the dies and store them properly after use to maintain their condition.

## **Disposal Instructions**

- **Disposal of the Product:** When the die set reaches the end of its useful life, dispose of it in accordance with local regulations regarding metal and plastic waste.
- **Environmental Considerations:** Do not dispose of any parts in regular trash. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For additional support or safety inquiries, please contact your local consumer protection authority or refer to the retailer from whom you purchased the TYPE S MATCH BUSHING NECK DIE SET.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TYPE S MATCH BUSHING NECK DIE SET. Always prioritize safety and adhere to best practices while handling and using this product.
