# Safety Instruction Guide for CUSTOM GRADE HANDGUN 3DIE SETS 38 SUPER NITRIDE 3DIE SET

## Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 3DIE SETS 38 SUPER NITRIDE 3DIE SET by Hornady. This product is designed for reloading ammunition safely and effectively. It is essential to follow all safety guidelines and instructions to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand all instructions before using the product.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure you are familiar with the operation of all components of the die set before beginning.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Do not exceed the recommended load specifications for your cartridges.
- Avoid distractions while reloading to maintain focus and accuracy.
- Store all components and tools in a secure location when not in use.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure your workspace is clean, welllit, and free of clutter.
2. **Gather Tools:** Have all necessary tools and materials ready, including the die set, reloading press, and any additional equipment required.
3. **Install the Full Length Sizing Die:**
  - Secure the sizing die into your reloading press according to the manufacturer's instructions.
  - Adjust the die to the desired depth for fulllength sizing.
4. **Install the Case Mouth Expander:**
  - Insert the case mouth expander die into the press.
  - Adjust as needed to accommodate the specific cartridge being used.
5. **Install the Bullet Seating Die:**
  - Position the bullet seating die in the press.
  - Ensure the floating bullet seater alignment sleeve is properly adjusted.

### Usage

1. **Sizing Cases:**
  - Insert a cleaned and resized case into the sizing die.
  - Operate the press to size the case fully, ensuring it is free from any obstructions.
2. **Expanding Case Mouths:**
  - Use the case mouth expander to adjust the mouth of the case for bullet seating.
3. **Seating Bullets:**
  - Place a bullet into the prepared case.

- Use the bullet seating die to press the bullet to the desired depth.
- Check for proper crimping if applicable.

## **Disposal Instructions**

- Dispose of all used components, including spent primers and any damaged items, in accordance with local regulations.
- Do not dispose of reloading components in regular trash; check for designated disposal sites for hazardous materials.
- Ensure all materials are securely contained during disposal to prevent environmental contamination.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please consult the manufacturer's website or customer service resources. Always ensure that you have the most current information regarding product safety and usage.

By following these guidelines and instructions, you can ensure a safe and effective reloading experience with your CUSTOM GRADE HANDGUN 3DIE SETS 38 SUPER NITRIDE 3DIE SET. Thank you for your commitment to safety.
