MEC Powder Bushings #18 Safety Instruction Guide

Introduction

Thank you for choosing the MEC Powder Bushings #18. This product is designed to help you adjust the powder load for your rounds safely and accurately. This guide provides essential safety instructions and information to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always use a scale to check powder weights for accuracy.
- Store powder bushings in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the bushing before each use for any signs of damage or wear.
- Do not exceed the recommended powder load for your specific bushing.
- Follow the manufacturer's instructions for safe handling and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure you are using the correct bushing size for your intended loads. The MEC Powder Bushings are available in sizes #7 through #13 and #16 through #38.
- Always wear safety goggles and protective gear when handling powders and reloading materials.
- Avoid inhaling powder dust; use in a wellventilated area.
- Do not mix different types of powders in the same bushing.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials, including the MEC Powder Bushing #18, a scale, and your reloading equipment.
- Ensure your workspace is clean and free of clutter.

2. Installation

- Insert the MEC Powder Bushing #18 into your reloading press according to the manufacturer's guidelines.
- Ensure it is securely fastened and properly aligned.

3. Usage

- Weigh the desired amount of powder using a scale before loading it into the bushing.
- Adjust the bushing to the appropriate volume setting as per your reloading requirements.
- Gradually load the powder into your cartridges, ensuring there is no spillage.
- After use, clean the bushing to remove any residue.

Disposal Instructions

- Dispose of any unused or expired powders in accordance with local regulations.
- Do not dispose of powders or bushings in regular household waste.
- Contact your local waste management facility for safe disposal options.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the official MEC website or contact your local distributor.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the MEC Powder Bushings #18!
