

LEAD .38 CALIBER (.358") HOLLOW BASE WAD CUTTER HANDGUN BULLETS - LEAD 38 CALIBER (.358") 148GR HOLLOW BASE WADCUTTER 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® lead pistol bullets are pre-lubricated and cold-swaged for total uniformity and balance. Hornady exclusive knurling system retains lubricant over the entire bearing surface to reduce leading in your barrel. For cowboy shooters, authenticity is a strict requirement. That's why they build Hornady's Cowboy™ bullets to SASS (Single Action Shooting Society) specifications while holding them to the same stringent production standards as all Hornady's products. FEATURES Classic & Conventional design - Traditional conical and flat designs have perfect symmetry when combined with knurling at the base of the bullet, which deliver increased stability and accuracy. This ensures proper positioning in authentic revolvers, with no unwanted nicking of primers as the cylinder turns. Special Knurling and Grease Ring - The knurling system holds an even distribution of lubricating wax over the bearing surface of the Cowboy™ bullet, resulting in less leading.

Attributes

- Name: [LEAD 38 CALIBER \(.358" \) 148GR HOLLOW BASE WADCUTTER 250/BOX](#)

Safety Instruction Guide for LEAD .38 CALIBER (.358") HOLLOW BASE WAD CUTTER HANDGUN BULLETS

Introduction

Thank you for choosing Hornady® lead pistol bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of your bullets. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the bullets by following all instructions and guidelines. These bullets are designed for use in nonfood applications and must be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, follow the provided instructions for returning or disposing of the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements for selling ammunition.
- **Special Consumer Focus:** These bullets are not intended for use by children. Keep them out of reach to prevent accidental use.
- **EU Contact Point:** For any safety inquiries, refer to the product packaging or your retailer for the appropriate contact information.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with clean, dry hands.
 - Avoid touching the bullet's bearing surface to prevent contamination.
- **Storage:**
 - Store bullets in a cool, dry place away from direct sunlight.
 - Keep bullets in their original packaging until ready for use.
- **Usage:**
 - Only use these bullets in firearms that are specifically designed for .38 caliber ammunition.
 - Ensure that your firearm is in good working condition before use.
- **Safety Gear:**
 - Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- **Environment:**
 - Use bullets only in designated shooting ranges or safe environments.
 - Be aware of your surroundings and ensure a safe backdrop when firing.

Instructions for Installation and Usage

- **Installation:**
 - Follow the manufacturer's instructions for loading bullets into your firearm.
 - Ensure that the bullet is seated properly in the casing.
- **Usage:**
 - Load bullets into your firearm according to the firearm's manual.
 - Always check the firearm to ensure it is unloaded before handling or cleaning.
 - When ready to shoot, ensure the firearm is pointed in a safe direction.
 - Pull the trigger only when you are prepared to fire at a safe target.

Disposal Instructions

- **Disposal of Unused Bullets:**
 - Do not dispose of bullets in regular household waste.
 - Check local regulations for the proper disposal of ammunition.
 - Contact your local waste management authority for guidance on safe disposal methods.
- **Spent Casings:**
 - Collect and dispose of spent casings according to local laws.
 - Consider recycling spent casings where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the safe use of Hornady® lead pistol bullets, please refer to the product packaging or your retailer for additional information and support.

Thank you for prioritizing safety while using our products.
