

308 MARLIN EXPRESS BRASS CASE - 308 MARLIN EXPRESS BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

Safety Instruction Guide for 308 Marlin Express Brass Case

Introduction

Thank you for choosing the 308 Marlin Express Brass Case by Hornady. This product is designed for precision and reliability in shooting sports. It is essential to follow safety guidelines to ensure safe handling and use. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling of all nonfood products, including ammunition components.
- Be aware of risks not covered by other EU laws.
- Always check for recall notices and updates regarding product safety.
- Online purchases of this product must meet the same safety requirements as those in physical stores.
- Extra safety measures should be taken when children or vulnerable individuals are present.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for updates on product recalls.

Specific Safety Precautions for Use

- Always handle brass cases with clean, dry hands to prevent contamination.
- Store brass cases in a cool, dry place away from direct sunlight and moisture.
- Do not use damaged or deformed brass cases, as they may pose a safety risk.
- When reloading, ensure that you are using the correct specifications for the 308 Marlin Express cartridge.
- Keep all ammunition components out of reach of children and unauthorized individuals.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Follow all local laws and regulations regarding the use of ammunition and firearms.

Instructions for Installation and Usage

• Preparation:

- Inspect the brass cases for any signs of damage or defects before use.
- Clean the brass cases if necessary, following proper cleaning procedures.

• Reloading:

- Use only Hornady-approved components for reloading the 308 Marlin Express cartridge.
- Follow the reloading manual for precise measurements and procedures.
- Ensure that the powder charge is within specified limits to avoid overpressure situations.

• Usage:

- Load the brass cases into the firearm according to the manufacturer's instructions.
- Ensure the firearm is pointed in a safe direction at all times during loading and unloading.
- After firing, inspect the brass cases for signs of wear or damage before reusing.

Disposal Instructions

- Dispose of used brass cases in accordance with local regulations.
- Recycle brass cases whenever possible to minimize environmental impact.

- Do not discard brass cases in regular household waste.

Contact Information for Further Support

For any safety inquiries or further information regarding the 308 Marlin Express Brass Case, please refer to the manufacturer's contact information provided on the product packaging or visit the official Hornady website.

By following these safety instructions, you can enjoy a safe and successful shooting experience with your 308 Marlin Express Brass Case. Thank you for prioritizing safety and responsible use.
