

# 6.5MM CREEDMOOR BRASS CASE - 6.5MM CREEDMOOR BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Hornady unprimed brass features tight tolerances, uniform concentricity, consistent weight and capacity. Their manufacturing processes ensure consistent bullet seating and uniform bullet release for optimal velocity and accuracy. Target shooters insist on uniform case wall thickness and tight tolerances. Hornady delivers this by treating brass as the foundation for an accurate cartridge, not as a commodity.

# Safety Instruction Guide for 6.5MM Creedmoor Brass Case

## Introduction

Thank you for choosing the 6.5MM Creedmoor Brass Case by Hornady. This product is designed for optimal performance in shooting applications. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat every cartridge as if it is loaded.
- Store brass cases in a cool, dry place away from direct sunlight.
- Keep out of reach of children and unauthorized persons.
- Ensure that you are familiar with local laws and regulations regarding ammunition and reloading practices.
- Inspect brass cases for damage or defects before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when handling or shooting firearms.
- Do not exceed the recommended load data when reloading cartridges.
- Use only the correct components (powder, bullets, primers) as specified for the 6.5MM Creedmoor.
- Never mix different types of ammunition or components.
- Avoid using brass cases that show signs of wear, such as cracks or deformation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary tools and components for reloading.

### 2. Inspecting Brass Cases:

- Check each brass case for cleanliness and integrity.
- Remove any debris or residue from previous uses.

### 3. Reloading Process:

- Follow the reloading data specific to the 6.5MM Creedmoor.
- Carefully measure and pour the correct amount of powder into each case.
- Seat the bullet firmly and evenly into the case mouth.

### 4. Final Inspection:

- Inspect each loaded cartridge for proper seating and overall quality.
- Store loaded cartridges in a secure and labeled container.

## Disposal Instructions

- Dispose of used or damaged brass cases in accordance with local regulations.

- Do not discard brass cases in regular household waste.
- Consider recycling brass cases at designated recycling centers.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product information, please contact the manufacturer or refer to the official website.

Thank you for prioritizing safety and following these guidelines. Enjoy your shooting experience with the 6.5MM Creedmoor Brass Case!
