# CUSTOM GRADE HANDGUN 3DIE SETS 9MM LUGER NITRIDE 3DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 3DIE SETS 9MM LUGER NITRIDE 3DIE SET by Hornady. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions when using the product.
- Ensure the workspace is wellventilated and free from distractions.
- Store the reloading dies and components in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the dies for wear and damage before use.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Be aware of the potential hazards associated with ammunition reloading, including the risk of explosion and exposure to toxic substances.

## Specific Safety Precautions for Use

### • Handling Components:

- Always handle reloading components with care.
- Avoid direct contact with skin and eyes.
- Do not eat or drink in the reloading area.

### • Using the Dies:

- Ensure the reloading press is securely mounted and stable before use.
- Use the fulllength sizing die to size cases properly to prevent stuck cases.
- Adjust the case mouth expander carefully to avoid overexpansion, which can lead to misfires.
- Use the bullet seating die with a floating bullet seater alignment sleeve to ensure proper alignment and seating depth.

### • Storage:

- Store the dies in a dry, cool place to prevent corrosion.
- Keep all reloading materials in clearly labeled containers.
- Ensure that all components are sealed and stored away from children.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the CUSTOM GRADE HANDGUN 3DIE SET and verify all components are included (fulllength sizing die, case mouth expander, bullet seating die).
- Attach the sizing die to the reloading press using the provided instructions. Ensure it is secure.
- Adjust the die settings according to the manufacturer's guidelines.

### 2. Reloading Process:

- Begin by using the fulllength sizing die to resize the brass cases.
- After resizing, use the adjustable case mouth expander to prepare the case for bullet seating.
- Finally, use the bullet seating die to insert the bullet into the case. Adjust the crimping option as needed for the desired bullet fit.
- Inspect each finished round for consistency and safety.

### **3. Maintenance:**

- Regularly clean the dies with a soft cloth to remove residue.
- Check the condition of the dies and replace any damaged components immediately.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service channels. Ensure that you have the product details ready for faster assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the CUSTOM GRADE HANDGUN 3DIE SETS 9MM LUGER NITRIDE 3DIE SET. Always stay informed about safety practices and regulatory compliance to protect yourself and others.
