CUSTOM GRADE HANDGUN 3DIE SETS 380 AUTO NITRIDE 3DIE SET Safety Instructions

Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 3DIE SETS 380 AUTO NITRIDE 3DIE SET by Hornady. This product is designed for safe and efficient reloading of ammunition. Please read this safety instruction guide carefully to ensure proper use and to minimize risks associated with reloading.

General Safety Guidelines

- Always treat all firearms and ammunition components as if they are loaded and capable of causing harm.
- Ensure that the reloading area is clean, welllit, and free from distractions.
- Keep all reloading components out of reach of children and unauthorized persons.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Do not consume food or beverages in the reloading area.
- Regularly inspect your reloading equipment for any signs of wear or damage.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improperly handled tools and components.
 - Risk of explosion or fire from improper handling of gunpowder and primers.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for the use of dies and tools.
 - Do not exceed recommended load specifications.
 - Store gunpowder and primers in a cool, dry place, away from direct sunlight and heat sources.
 - Never mix different types of gunpowder or primers.
 - Ensure that all tools are properly secured and in good working order before use.

Instructions for Installation and Usage

- **Installation:**
 1. Read the instruction manual that comes with the die set.
 2. Ensure that your reloading press is properly mounted and stable.
 3. Install the full length sizing die into the press according to the manufacturer's instructions.
 4. Attach the adjustable case mouth expander die and the bullet seating die in the same manner.
 5. Check that all dies are securely tightened before use.
- **Usage:**
 1. Begin by resizing the brass cases using the full length sizing die.
 2. After resizing, use the adjustable case mouth expander die to prepare the case mouth for bullet seating.
 3. Insert the bullet seating die and adjust it to the desired seating depth.
 4. Follow the recommended reloading data for the 380 Auto (ACP) cartridge to ensure safe and effective loading.
 5. Always doublecheck your work before proceeding to the next round.

Disposal Instructions

- Dispose of any unused or expired gunpowder and primers according to local regulations.
- Do not throw away reloading components in regular trash.
- Contact local hazardous waste disposal facilities for proper disposal methods.
- Ensure that all empty brass cases are recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through their official website or customer service channels.

Note: It is crucial to stay informed about any product recalls or safety alerts. Regularly check the EU Safety Gate platform for updates on unsafe products and safety recommendations.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your CUSTOM GRADE HANDGUN 3DIE SETS 380 AUTO NITRIDE 3DIE SET. Thank you for prioritizing safety in your reloading practices.
