# CUSTOM GRADE HANDGUN 3DIE SETS 41 MAGNUM NITRIDE 3DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the CUSTOM GRADE HANDGUN 3DIE SETS 41 MAGNUM NITRIDE 3DIE SET by Hornady. This product is designed to assist you in reloading your ammunition safely and effectively. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of firearms and ammunition before using this product.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Keep the reloading area clean and free from distractions to minimize the risk of accidents.
- Store all reloading components, including dies, primers, and powders, out of reach of children and unauthorized users.
- Regularly inspect your reloading equipment for wear or damage, and replace any faulty components immediately.
- Follow the manufacturer's instructions for all components used in the reloading process to avoid potential hazards.

## Specific Safety Precautions for Use

- **Hazard Identification:** Be aware of the following potential hazards associated with reloading:
  - Improper handling of ammunition components can lead to accidental discharge.
  - Inadequate ventilation can lead to the accumulation of harmful fumes from powders.
  - Using incorrect die settings may result in improperly sized or seated cartridges.
- **Avoiding Hazards:**
  - Always doublecheck measurements and settings before starting the reloading process.
  - Use the fulllength sizing die to ensure proper cartridge dimensions and avoid stuck cases.
  - Make sure the adjustable case mouth expander is set correctly to prevent case damage.
  - Use the bullet seating die with care, ensuring that the bullet is seated properly before crimping.
- **AgeSpecific Warnings:** This product is intended for use by individuals who are of legal age to handle firearms and ammunition. Keep this product away from children and individuals who are not trained in safe firearm practices.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure that your reloading press is securely mounted according to the manufacturer's guidelines.
- Install the fulllength sizing die into the press and adjust it according to the instructions provided with the die set.
- Attach the adjustable case mouth expander die and adjust it to the desired setting.
- Install the bullet seating die and ensure it is properly aligned.

## 2. Reloading Process:

- Begin by resizing the brass cases using the fulllength sizing die. This will ensure that they are within the required specifications for safe use.
- After resizing, use the adjustable case mouth expander to prepare the case for bullet seating.
- Place the bullet into the case and use the bullet seating die to seat the bullet to the proper depth.
- If crimping is required, adjust the die accordingly and apply the crimp to the cartridge.

## 3. Final Checks:

- Inspect each finished cartridge for proper dimensions and seating before use.
- Store completed ammunition in a secure location, clearly labeled with the caliber and load information.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away spent primers or powder in regular trash. Follow local hazardous waste disposal guidelines.
- Ensure that all reloading components are stored safely until they can be disposed of properly.

## Contact Information for Further Support

For any inquiries or support regarding the CUSTOM GRADE HANDGUN 3DIE SETS 41 MAGNUM NITRIDE 3DIE SET, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience with your CUSTOM GRADE HANDGUN 3DIE SETS 41 MAGNUM NITRIDE 3DIE SET. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for choosing Hornady.
