CUSTOM GRADE HANDGUN 3DIE SETS 44 SPECIAL/MAGNUM NITRIDE 3DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the Hornady CUSTOM GRADE HANDGUN 3DIE SETS 44 SPECIAL/MAGNUM NITRIDE 3DIE SET. This product is designed for reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe use, proper handling, and maintenance of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and safety guidelines when using this product.
- Ensure that the workspace is clean, organized, and free from distractions.
- Store the reloading dies and components in a secure location, out of reach of children and unauthorized individuals.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading materials.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of fire, explosion, and injury.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of injury from improper handling of reloading dies and components.
 - Risk of explosion or fire from improper storage or handling of gunpowder and primers.
- **Avoiding Hazards:**
 - Always ensure that the reloading area is wellventilated.
 - Do not smoke or have open flames near the reloading area.
 - Use only recommended components (e.g., bullets, cases, primers, and gunpowder) that are compatible with the 44 Special/Magnum cartridges.
 - Do not exceed recommended loads as specified by the powder manufacturer.
 - Inspect all components for damage or defects before use.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the reloading press is securely mounted on a stable surface.
 2. Install the full length sizing die into the press according to the manufacturer's instructions.
 3. Attach the adjustable case mouth expander die and bullet seating die, ensuring they are properly aligned.
 4. Adjust the dies as necessary using the zip spindle system for precise setup.
- **Usage:**
 1. Begin by resizing the brass cases using the full length sizing die.
 2. Expand the case mouth with the adjustable case mouth expander die.
 3. Insert the bullet into the case and use the bullet seating die to seat the bullet to the desired depth.
 4. If crimping is required, adjust the crimping option on the seating die accordingly.

5. Follow all safety precautions throughout the reloading process.

Disposal Instructions

- Dispose of empty brass cases, used primers, and other reloading materials in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular trash. Consult local hazardous waste management guidelines for proper disposal methods.
- Ensure that all materials are stored securely until disposal.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with the Hornady CUSTOM GRADE HANDGUN 3DIE SETS 44 SPECIAL/MAGNUM NITRIDE 3DIE SET. Thank you for prioritizing safety in your reloading practices.
